IN LEE HIGH
THE OPPORTUNITY
IS YOURS FOR
THE EFFORT.

Foreword

During 1961-1962, Lee High School opened new fields of opportunity and brought fresh challenges to individual students. Special courses, accelerated physics and the extension of analysis to a full year program, were offered for the first time. Another first at Lee was our American Field Service student from Brazil.

In addition, a record enrollment of 1,800 students necessitated the use of temporary buildings and the arrangement of schedules to accommodate the Junior and Senior classes during the first five periods only.

Spurred on by a successful "Lights for Lee" campaign, school spirit soared. Extracurricular activities offered opportunities for broadening horizons and for pursuing personal interests.

We, the Shield Staff, hope that the 1962 edition of the *Shield* will serve as a reminder of times past and as a forecast of times to come. These changes and challenges are presented to you as a record of Lee's OPPORTUNITIES UNLIMITED.

To Mr Mike Millan, With Our

A big step forward in the world of sports for Lee High was taken four years ago when Mike Millan, former head trainer of George Washington University, became Athletic Director at the school. Since that day the school has produced ever more powerful athletic teams.

Mr. Millan, while striving very hard to raise the standard of Lee's teams, still emphasized sportsmanship and the ability to lead and cooperate with others as the more important aspects of the athletic program. Mr. Millan also favors a well-rounded athletic program in both intermural and varsity sports—introducing new sports, such as wrestling, and developing them all to perfection.

Besides the advancement of Lee's teams in high school competition, Mr. Millan has provided the school with greater athletic facilities—scoreboards, extended bleachers, tennis courts, outside basketball courts, and team uniforms, to name a few.

Yet none of the latter apparatus really compares with the one thing that may be called the greatest addition to the school since its beginning—Lee's lights. These lights could not have been obtained without the cooperation and hard work of both the student body and the community. But the man who organized these two factors into the campaigning force that it was, was none other than Mike Millan.

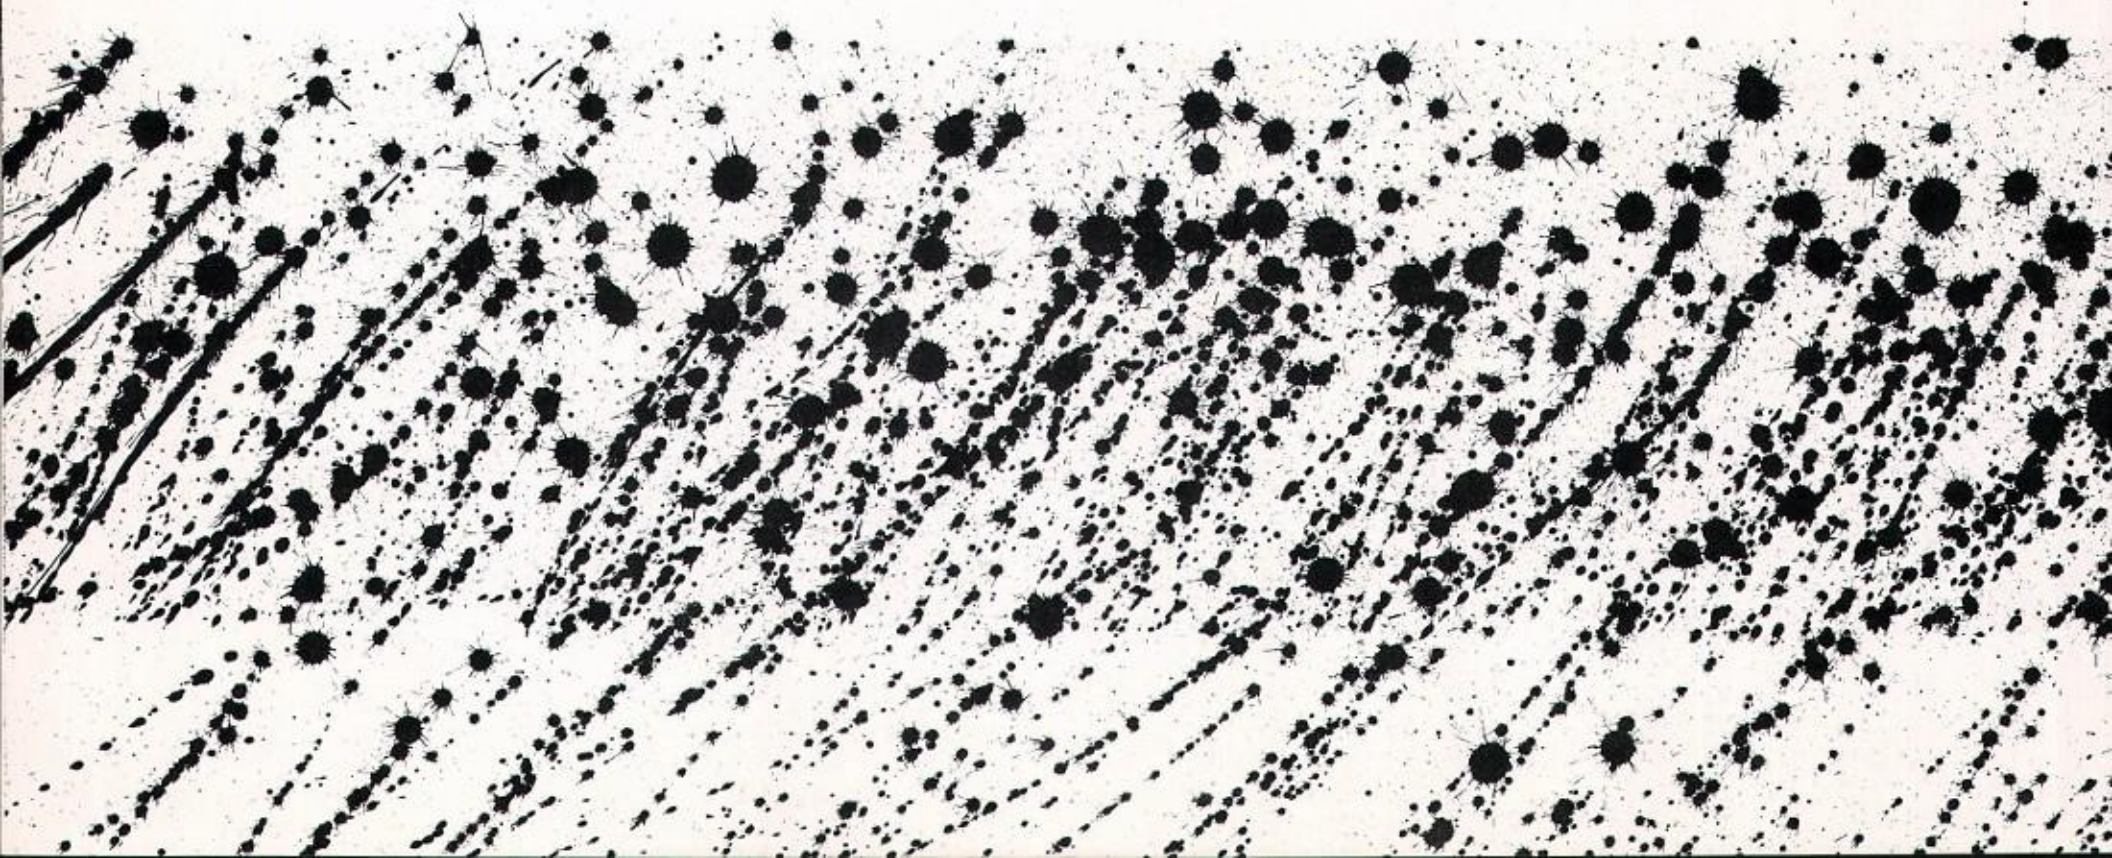

For the diligent way that he has built up the sport prestige, accelerated all the athletic programs and increased our sport facilities during the four years that he has been with the school, we, the members of the Senior class, would like to show our appreciation by dedicating the 1962 SHIELD to MR. MILLAN, our Athletic Director.

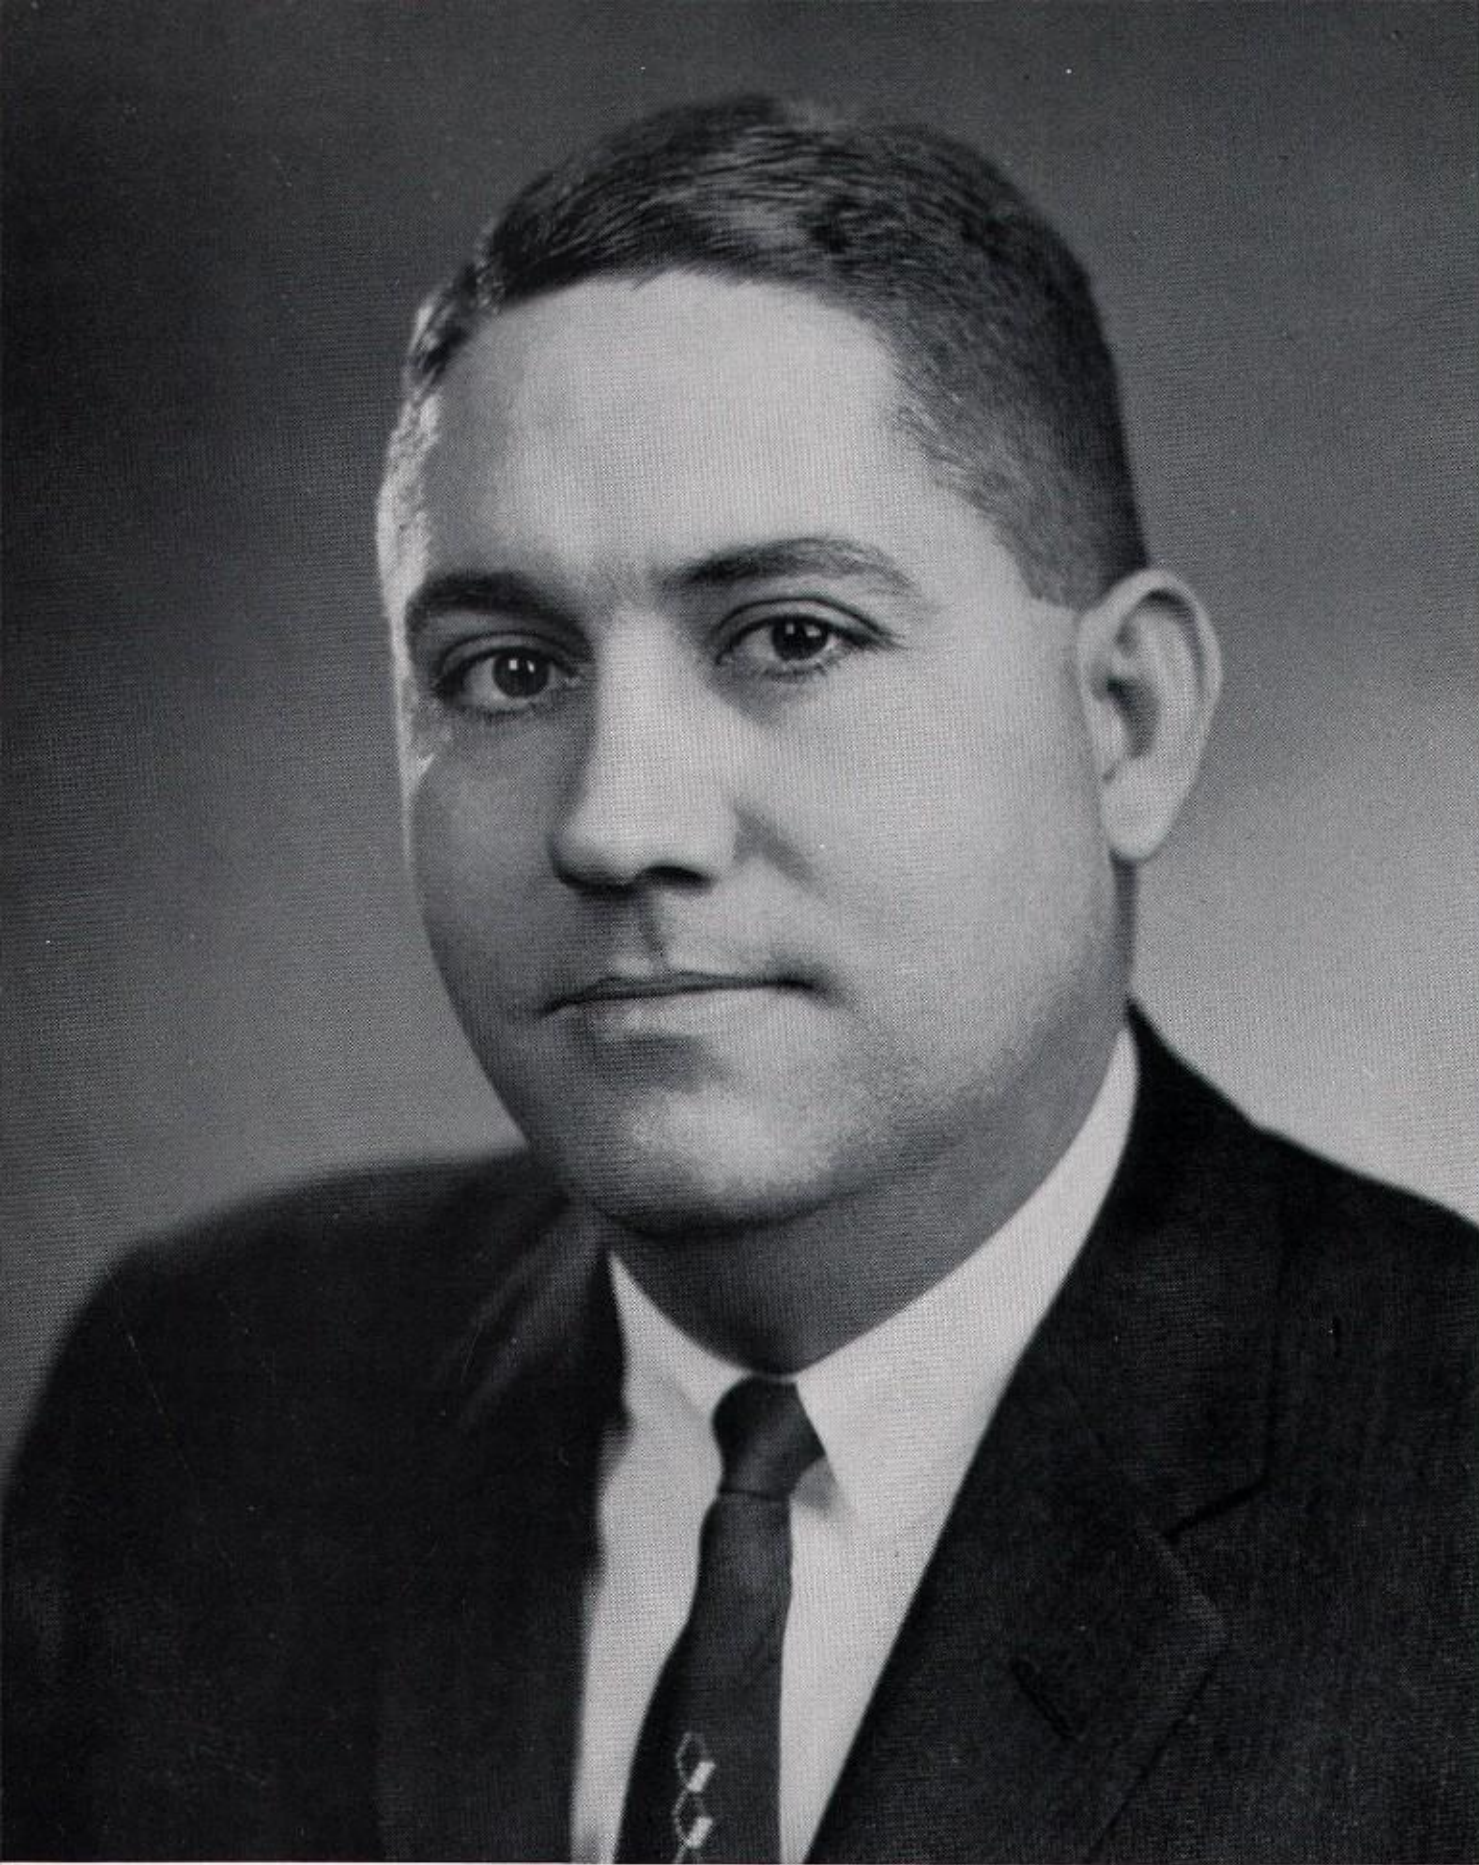

Deepest Gratitude

FACULTY

The
Principal
of
Lee High
School
Mr. William C. Parrish

As you go your various ways I trust that you will realize that there are unlimited opportunities ahead. Lee High School has equipped you with a foundation that will assist you in meeting the challenges of the future. You must strengthen this foundation by continuing to apply yourselves.

We are living in a great era—this school year a man has orbited the universe. A great deal of work and effort will be required of all of us if we are to keep pace with the times.

To you who are graduating I wish the very best. I am sure that you are now realizing that this is just the first big phase of your education. Remember that Lee High School is always proud of her students' progress!

Roles of the Assistant Principals —

GLENN C. PIPER

The Assistant Principal for Administration's duties consist of assigning routine duties and supervising bus transportation, student use of the cafeteria and the custodians. Working with the teachers, he provides counseling and discipline for the problem students. Taking attendance and accounting for the students and taking charge of the registers and school reports are also part of his responsibility.

KNOTT BRAXTON

The various phases of the job of the Assistant Principal for Instruction deal mainly with the organization and maintenance of a unified program of education. He accomplishes this with visits to the classrooms on a regular planned program to evaluate the teachers and the teaching. He also acquires substitute teachers, works with the sponsors and coaches, supervises assemblies and schedules students.

GUIDANCE DIRECTOR

GUIDANCE DIRECTOR

From the time a student registers until the day he graduates, he never loses contact with the guidance department at Lee.

Although the department always has work to do, it is never too busy to help and advise students with problems. Through their efforts, many students' problems are swiftly and efficiently solved. Contact with the guidance department and other administrative officials helps the students to gain a better understanding of themselves and of their associates.

The guidance department helps establish good public relations between the high school, the student, and other high schools. It also keeps the public informed of the high school activities.

To Present a Standard
Morality for These

Since Lee High School had an enrollment far beyond its capacity this year, it was necessary to hold large study halls to accommodate the additional students. These study halls were run by special study hall teachers who took the rolls and maintained order so that the students might have a quiet hour for studying.

Mr. Will, Senior Guidance counselor, speaks with a senior about college information.

In the three main offices at Lee, the secretarial staff was to be found carrying out the clerical work of the school. The members of the staff made telephone calls, typed, ran the mimeograph machines and did the many other miscellaneous jobs that are important in keeping the school running smoothly.

The daily routine of never ending work, keeps Mrs. Tilson busy.

MARIE SMYTH

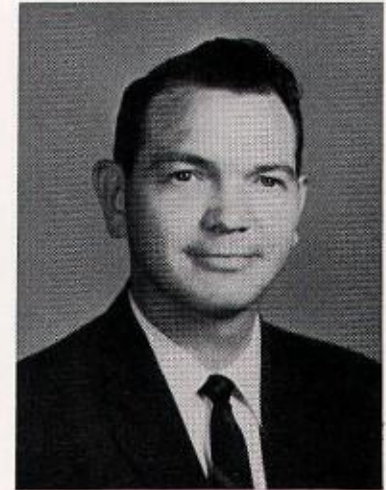

Mr. Carpenter, the visiting teacher, discusses important business with Mrs. VanDevellder.

Visiting Teacher —

Every school has students who fail to adjust satisfactorily to school life, fail their subjects, have a socially undesirable attitude, or are truant. Through interviews with students, parents, teachers, counselors, and other school personnel, the Visiting Teacher helps the individual student to use the opportunities the school offers and to increase the value of the work of the classroom teacher. He assists in locating the cause of the difficulty and aids the Guidance Department in remedying the situation.

Cafeteria Manager —

PAULINE STANTON

Lee High School is indebted to the cafeteria staff for the fine luncheons that are served every school day. The staff works assiduously to keep the cafeteria clean and neat. Under their excellent management, the cafeteria runs smoothly and efficiently.

MARGARET MAINWARING

Nurse — All Have Vital Positions at Lee

The Clinic provides one of the indispensable services to Lee High School. Those students who have been injured or ill know how reassuring it is to be helped by Mrs. Mainwaring, the Fairfax County Nurse.

A Keyette helps Mrs. Mainwaring with drapes for the clinic.

The Art Department of Lee High School has endeavored to instill in its three hundred students a realization of the rewards and challenges that an understanding of the arts can bring to each individual.

In these singular methods, Mr. Benedict, Mrs. Gardner and Mrs. Hull have taught that art has reflected the evolution of all cultures, that the elements of art can be both enjoyable and fulfilling, and that art is an integral part of our lives.

This active department sponsored the visit to the Guggenheim Museum and the Metropolitan Museum of Art. The department sponsored the First Annual Art Show in affiliation with the Art Guild, another important branch of an effective and often underrated department.

Music — International Language

Perfect harmony is a term well applied to the musical groups at Lee. The groups vary in size from the talents of the twelve in the Girls' Ensemble to the 120 students in the Concert Band.

Under the guidance of the choral director and band leader, the students learn new skills and develop their talents.

Each year the Music Department presents several concerts which are a tribute to the teachers who direct them and to the talent found at Lee.

"SKID ROW"

Tubas and trombones provide the bass bellows for Mr. Inglefield's Concert Band.

The Library Is a World of Knowledge

Each year the library is enriched by the addition of more and more books on every subject. Reference material of all kinds is available for use in writing reports and term papers. The library also has an excellent periodical section. With the help of the librarians, information on many subjects can be found.

To many students the library is a wonderful place. It contains not only books of history and science but also of adventure, mystery, and drama. An interest and knowledge in a variety of fields can be developed by reading books which the library at Lee provides.

"BACK TO THE BOOKS AGAIN!!!"

Home economics consists of more than cooking and sewing.

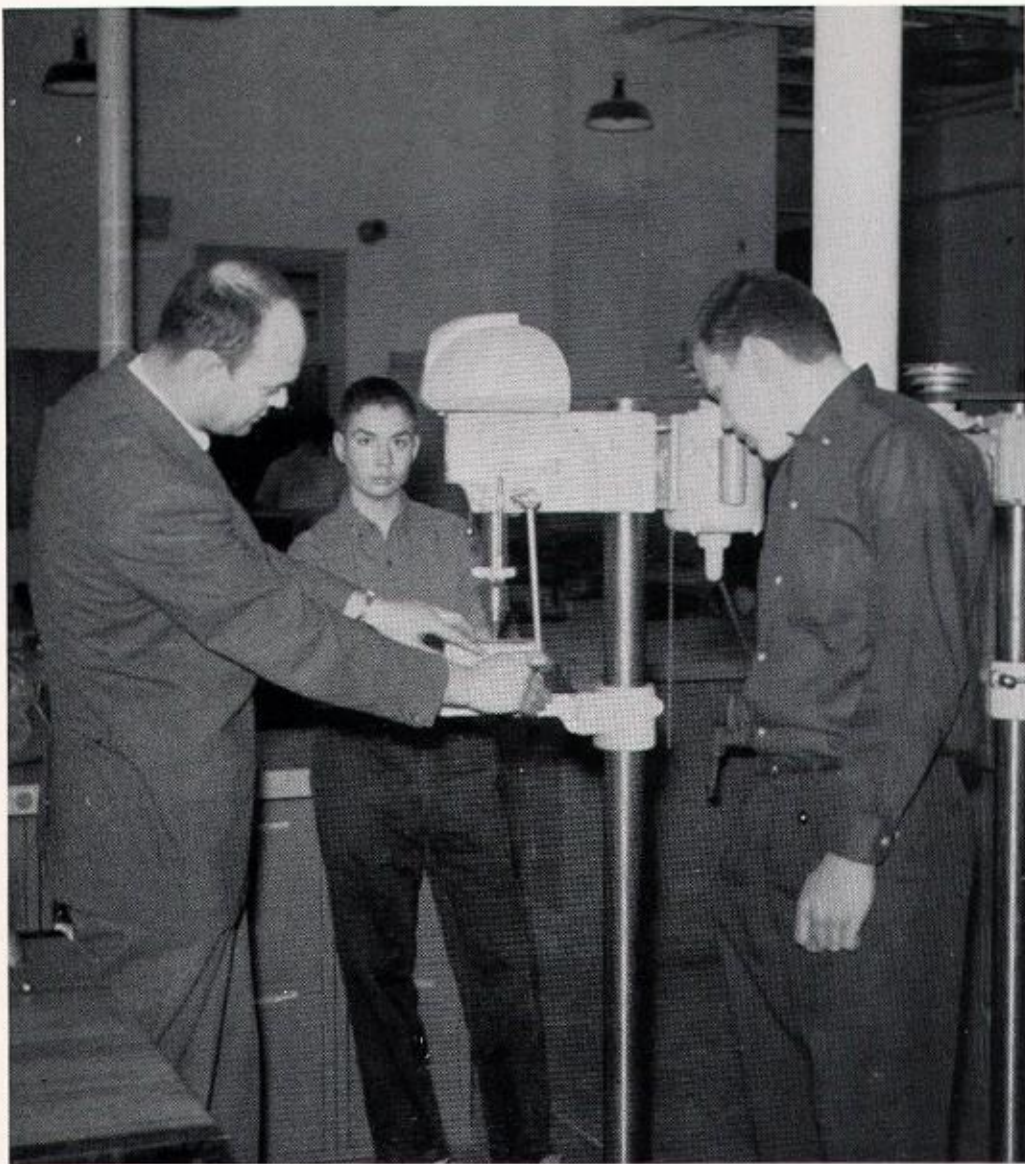

The home is the backbone of all nations. Making the home a happy and comfortable place to live is an art and a science. That is the reason for teaching homemaking at Lee.

Homemaking draws knowledge from many fields, including problems. Instruction is made personal for students by teaching them how to dress becomingly, eat properly, care for their homes, and live happily with their families. Such skills as cooking, sewing, caring for the sick, and children, and budgeting of time, money and energy are emphasized.

Homemaking offers the student much assistance in personality development. It teaches the importance of good citizenship and of taking an active part in social and civic affairs. Taking a homemaking course enables the student to become a better member of his family and thus a better citizen of the world.

The Industrial Arts Department is an important part of the school program. Its purpose is to give the student a background in the various types of work which are the basis of American industry. It also helps the student make a better choice of a career for himself.

Several courses are offered in the Industrial Arts Department, but mechanical drawing is basic to all. This subject teaches the student how to show an exact picture of an object for which a written description would be inadequate.

The making of useful articles from wood is one of the oldest crafts as well as one of today's prominent industries. This important craft is taught in woodshop. Many varied projects, from the simplest kind of woodworking to the most complex, are produced.

Metal shop is a similar course designed to teach the most recent methods of producing useful metal objects.

Business is the world's greatest employer. Thus, the Business Department is one of the busiest departments at Lee. It prepares many students who plan to enter business or acts as a preliminary for further training.

Necessary skills are taught to the students and business procedures are explained so that students will be ready to enter the business world.

A person who has what it takes can rise to the top from any level of business activity. This opportunity for advancement is one of the most important features of the field of business.

Junior English is always interesting under Mr. Connolly.

The English Department at Lee helps the students to gain a wide perspective in a field which includes courses in grammar and American and English literature.

Since words are the sign of ideas, it is important to have a large vocabulary. The four years of high school English help the students enlarge their vocabularies and give a comprehensive study of grammar in order that they may express their ideas in a more precise form.

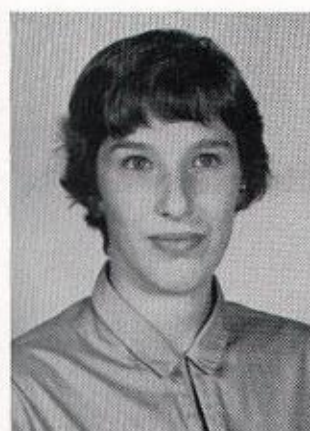

Freshman English is designated to give students an introduction to the works of both English and American masters.

"NOW, YOU KNOW I WON'T BELIEVE A STORY LIKE THAT."
Mrs. Hartgroves questions one of her students in English IV.

Second year English concentrates on the works of outstanding English authors. The styles and forms of the different authors in their respective periods of time are analyzed.

Prose and poetry from the American scene are taught in English III. The different trends in philosophy are studied in connection with their influence on literature.

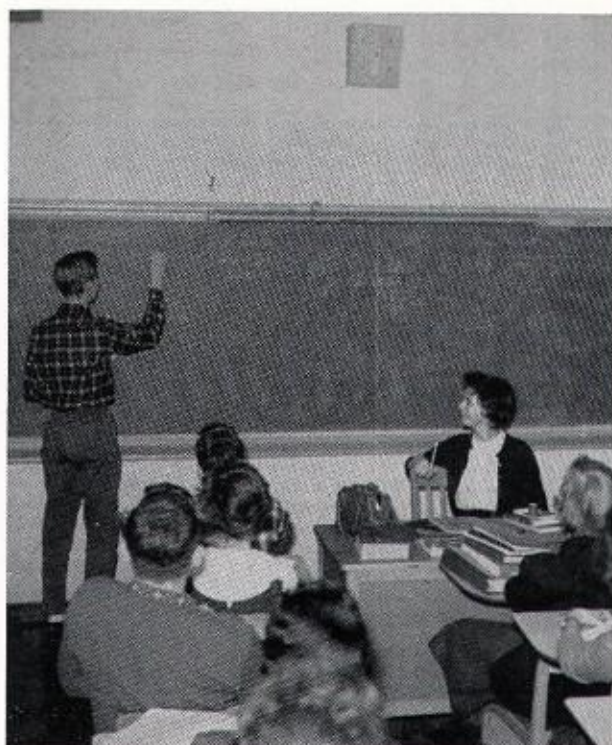

Excerpts from the works of such English geniuses as Spenser, Shakespeare, Milton, Shelley and Byron are returned to in Senior English. Their influence on the development of the English language as well as English literature is discussed with the weight of social and political ideologies of the day on them.

Languages Lead to Better World Relations

The ability to speak a foreign language and to be acquainted with the customs of other people is becoming more and more important. To accomplish this, French, Spanish, German, as well as the traditional Latin, are included in the language department at Lee. Each provides a thorough knowledge of the language to the interested student. With the help of audio-visual aids the culture of the country is also taught.

This year the language department has new books which are supplemented by tapes for oral exercises. These aids develop confidence in speaking the language. The addition of the language laboratory familiarizes students with the spoken language. All of these improvements were for the benefit of the students and did much to advance and improve the language department.

The physical education program at Lee is centered around organized games such as field hockey, basketball, tennis, and archery. This program is considered basic for all students.

Although sports are given the most emphasis, instruction in the fundamentals of health and safety is stressed. Driver's training is also included in the curriculum. Good sportsmanship is emphasized, along with desirable personality and character qualities.

Lee is fortunate in having a well equipped science laboratory and a staff of teachers devoted to developing an interest in science.

This year the Physical Science Study Committee program and the Biological Science Curriculum Study course have been incorporated into the curriculum.

The former is a modern presentation of physics. The course is divided into four parts: (1) the introduction to the fundamental notions of time and space, (2) the theory of light, (3) motion from a dynamic point of view, and (4) an introduction to electricity and the physics of the atom.

The other is a new method of studying biology. The course consists of three experimental divisions: blue, green, and yellow. The blue is the genetical approach to biology, the green is the economical approach, and the yellow is the chemical approach.

In addition to these courses, chemistry and earth science are offered. Chemistry teaches the student of the composition and properties of substances which make up the world around him. Earth science deals with the development of the earth, its structure and the forces which are constantly changing it.

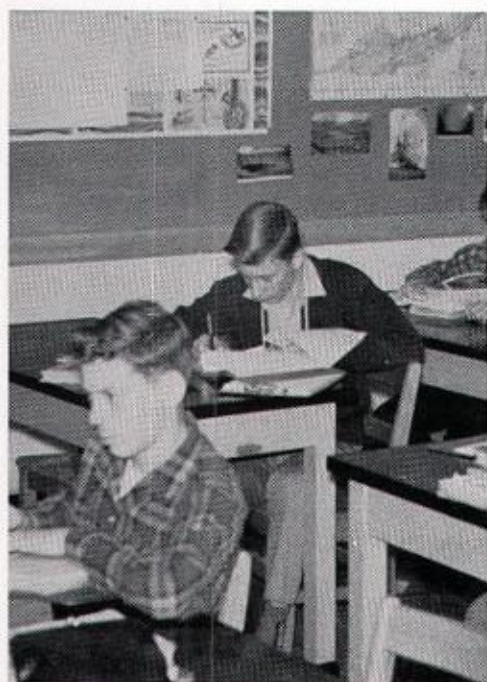

Although the two new courses have added much to Lee's Science Department, all the courses offered contribute greatly by opening opportunities and challenges in the major fields of science.

"EYES ON YOUR EXPERIMENT??"

Lab days in Chemistry provide students with proof of their learning.

"STUDENTS REALLY AT WORK?"

Mr. Cox's Earth Science class delves into the mysteries of oceanography.

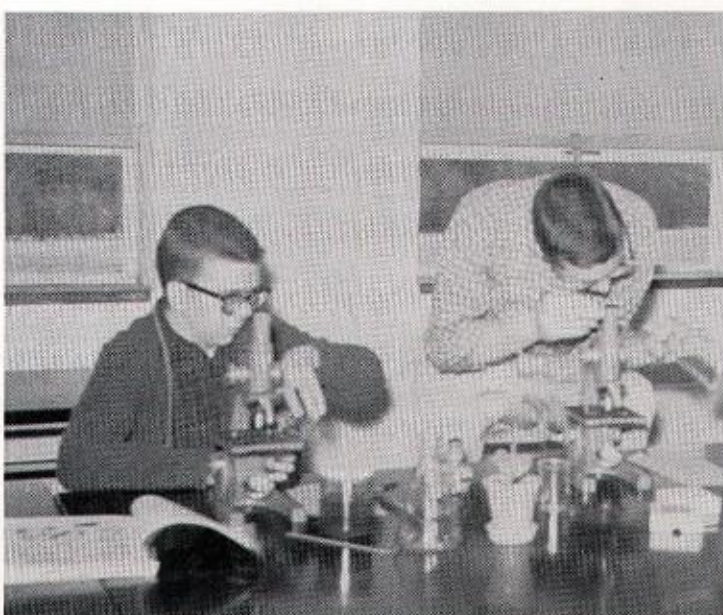

"TRY MOVING THE SLIDE TO THE LEFT A LITTLE."

Mr. Holsinger's class explores the world of the paramecium.

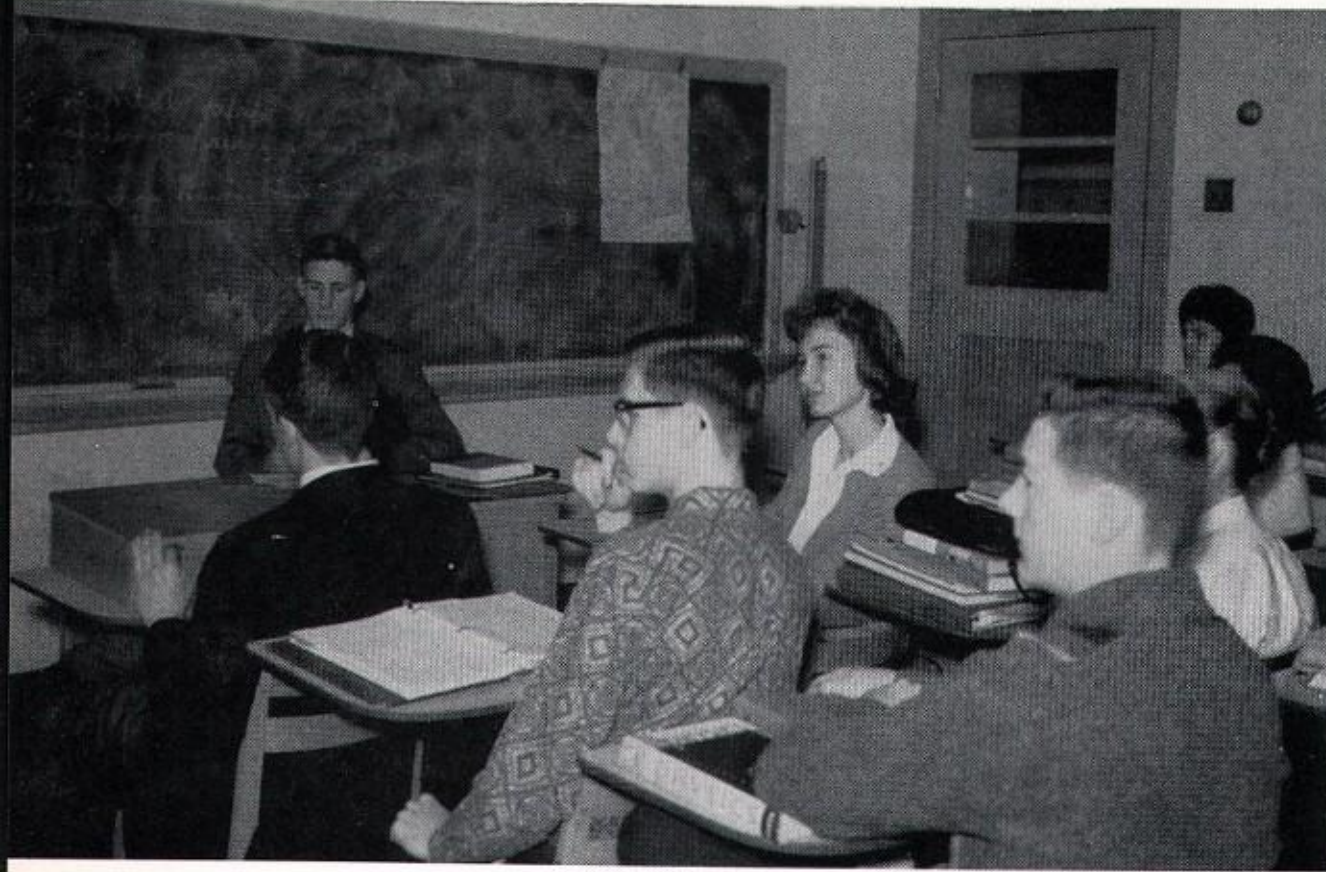

"YES, THAT IS A GOOD QUESTION."

Mrs. Durie attempts to answer a question in her general science class.

"PLANTS ARE PRETTY INTERESTING, AREN'T THEY?"

Two Biology students view specimens through the microscopes in Capt. Christie's class.

"GOVERNMENT OF THE STUDENTS, BY THE STUDENTS, FOR THE TEACHER."
One of Mrs. Sutton's students takes over her Government class.

Every year the American History classes take a trip to Williamsburg to get a first hand picture of colonial life in America. Through this first hand picture, the students are better able to understand American institutions and traditions.

FUTURE

President – Larry Curtis

Secretary – Gail Williams

Sponsor – Mrs. Cone

Treasurer – Bob Wilson

Historian – Julia Smith

One of the most bitter-sweet aspects of graduation is looking back upon all of the things our class has done together. We members of the class of '62 will have many wonderful memories.

As the first graduating class to start at Lee as freshmen, we remember all the excitement and trials and tribulations of trying to get things organized in a brand new and only partly finished school.

In thinking of our Sophomore year, our class-sponsored talent show, now a tradition at Lee, stands out in our memories. We remember that frantic last-minute rush to paint the sets and our tremendous feeling of accomplishment when it was all successfully over, for we had done it all by ourselves.

When we think of our Junior year, we remember how hard we worked to have the Prom outside of school. We remember with delight our class play, the day we got our rings, and our intense class spirit and pride at the time of the Junior-Senior game. And then the Prom! That is certainly one night we will never forget.

As we progress through our memories, we reach our Senior year, the best one of all. We remember the class barbecue and how hard we worked on the Senior Court. We remember our riotous Powder-puff game and those aching muscles. We remember all the other wonderful things that are part of being a Senior, too—the first assembly when we could march out before the others, the trip to Annapolis, filling out all those college applications, being measured for caps and gowns, the class play, Senior Week, and the Prom. We also remember with pride all of our Senior athletes, all those who did so well on the National Merit tests, and our "It's Academic" team.

Yes, we of the Class of '62 have many wonderful things to remember about our years at Lee. As we approach graduation, we approach a moment in which this significant and happy chapter in our lives comes to a close. We will soon be opening a new chapter in which we will be building upon what we have gained in these past four years—building many more happy memories.

L. to R.—Mr. Milan, Mr. Bradley, Mr. England, Mr. Hyer,

Guidance, Leadership and Inspiration

Without a good team, a coach is lost. Without a good coach, the team is lost. The conscientious and faithful coaching staff at Lee, under the able guidance of Mike Milan, has led the teams this year to a season of glowing victories. A winning team, however, is not one which has more victories than defeats, but one with a good relationship between the coaches and the players. Throughout the years these coaches have built up the morale and playing abilities of their teams. Without their expert guidance and assistance, even the most outstanding team would find themselves lacking.

"LITTLE ARBITRATOR CONTROLS THE BOARD"

Bruce LaRose listens to the argument of Bob Wills as Mr. England prepares his case.

Hard-Hitting Action

Lee High School's successful football team, in its brief history, compiled a 6-4 record, while finishing high in the Northern Virginia Group 1-A standings. Led by backfield stars Porky Norton and Paul Shultz, and a line which seemed impervious at times, the Lancers ruined a perfect season for the Mt. Vernon Majors and crushed the hopes of McLean, as Lee became the "spoiler" of the League.

The 1962 season brought about many exciting and trying moments.

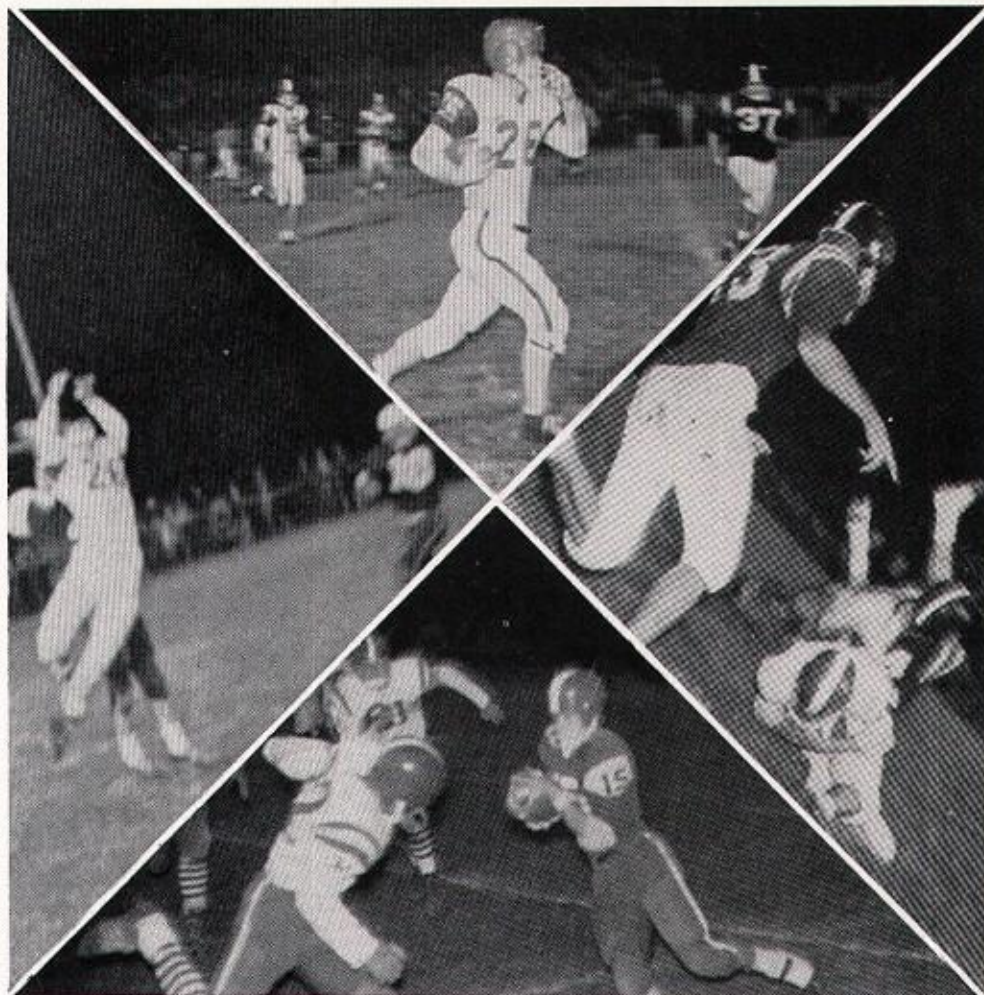

Row 1: Fred Julian, Dick Plaugher, Ronnie Spates, Bob Prohaska, Powell Ferguson, Frank Gatling, Brad Fellows, Larry Dunn, Ronnie Dunn, Earl Flinchum, Rusty Hess, Randy Harrison. Row 2: Tom Marlow, Scott Mack, Bryan Simms, Ken Harris, Jim Cobb, Jon Clarke, Jim Puckett, Darwin Smith, Paul Shultz, Mike

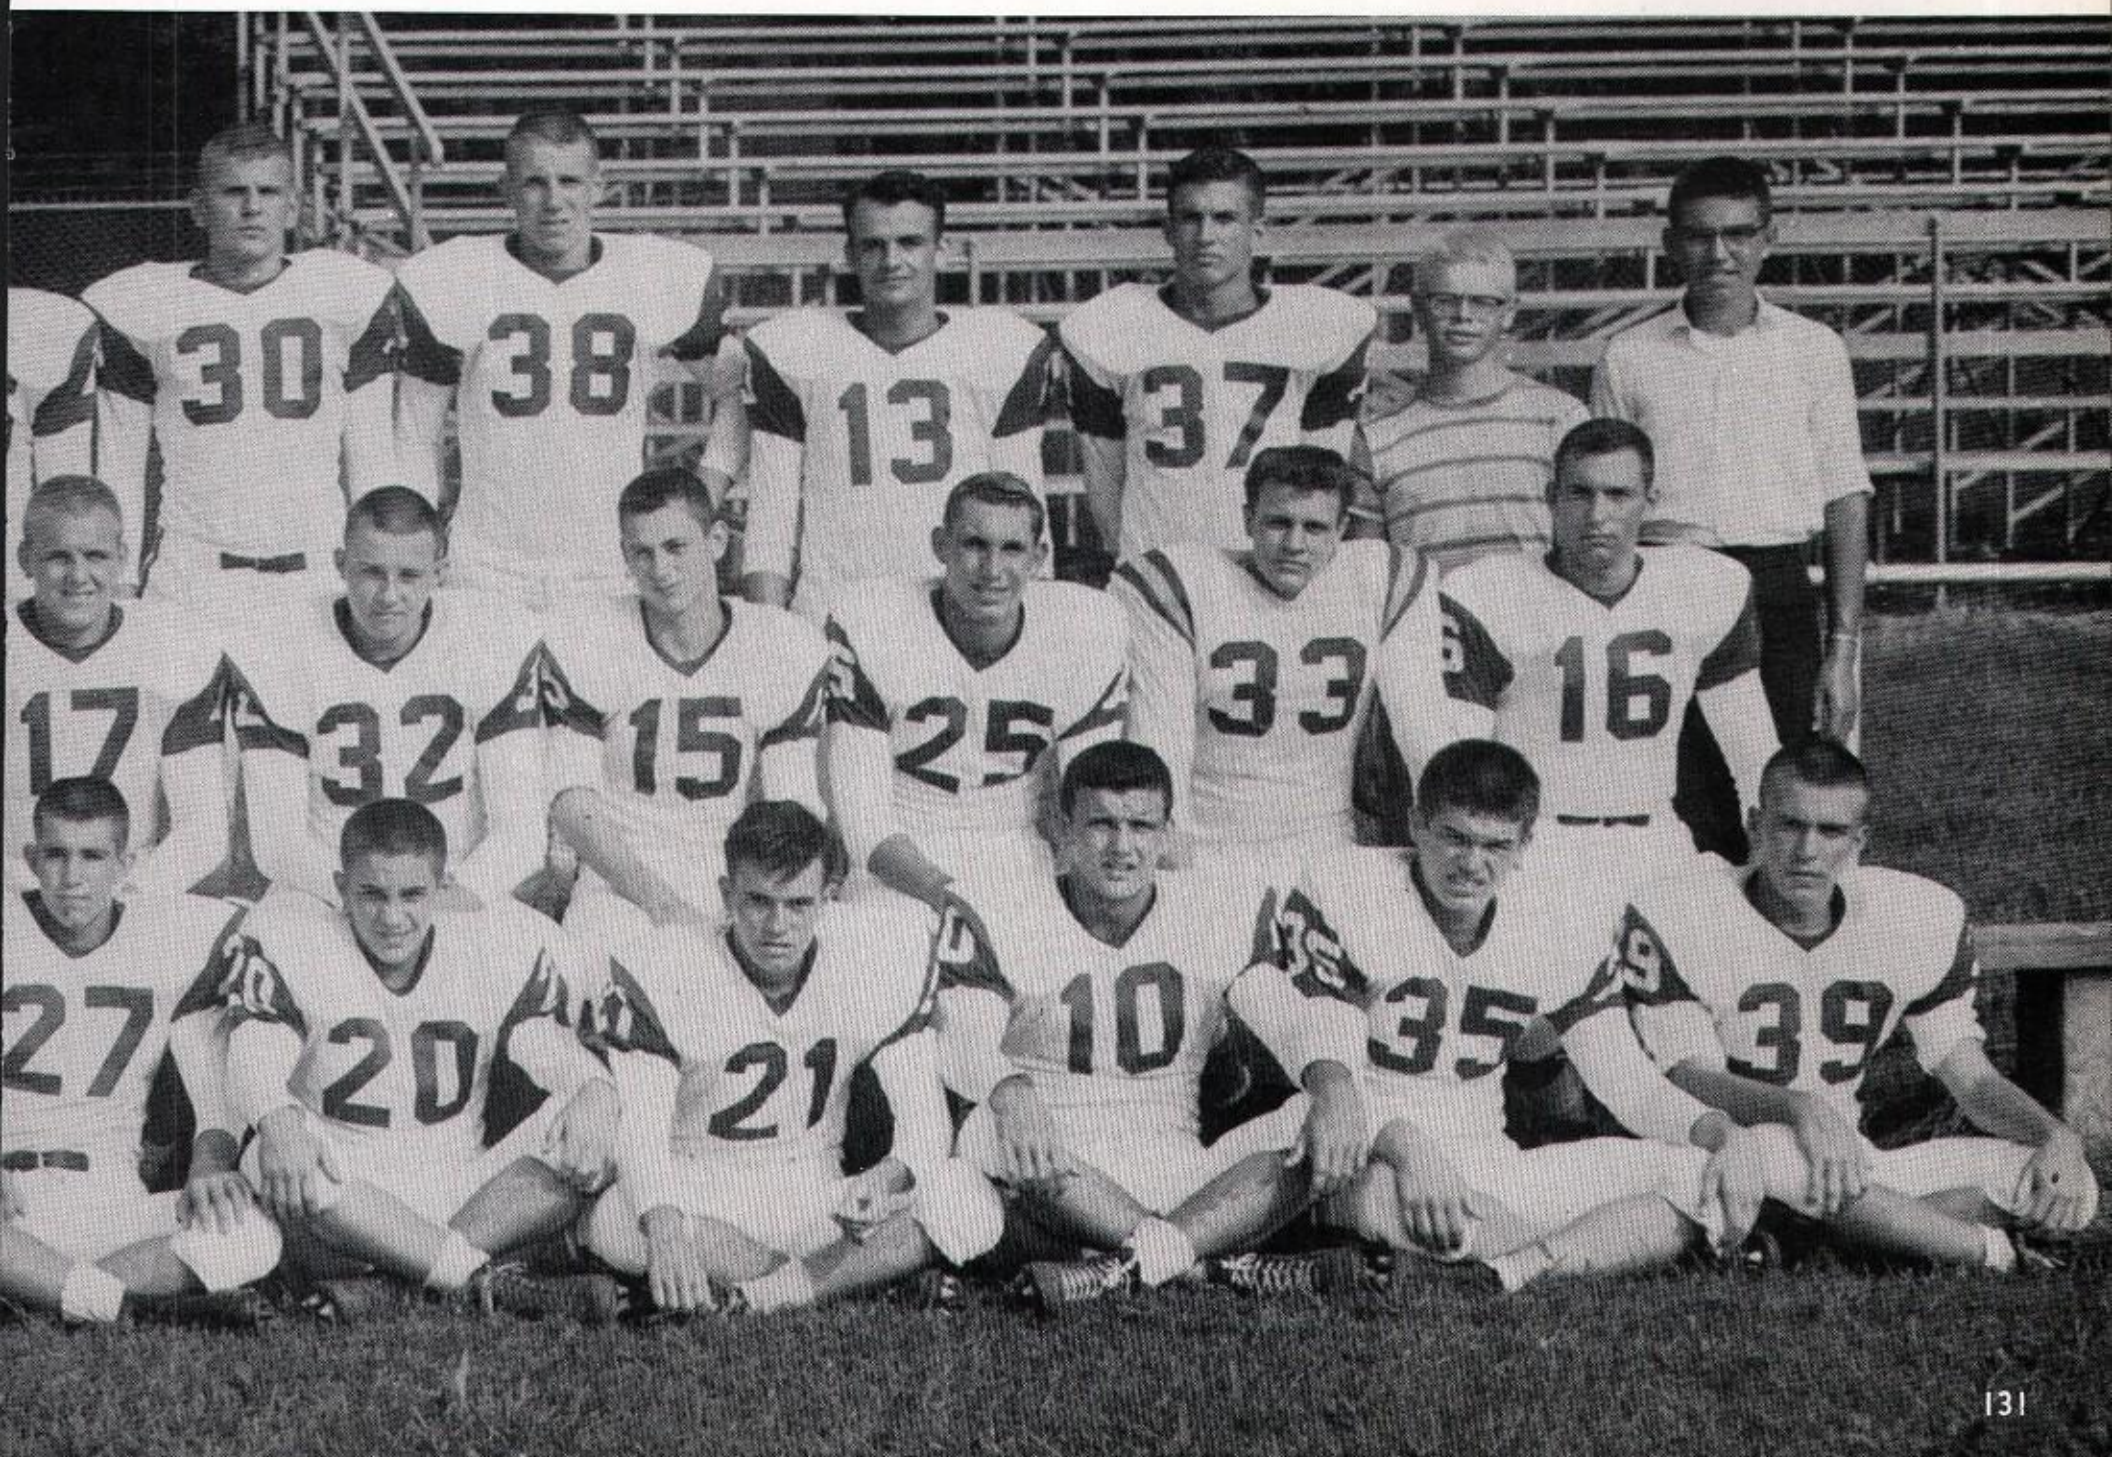

Highlights Season

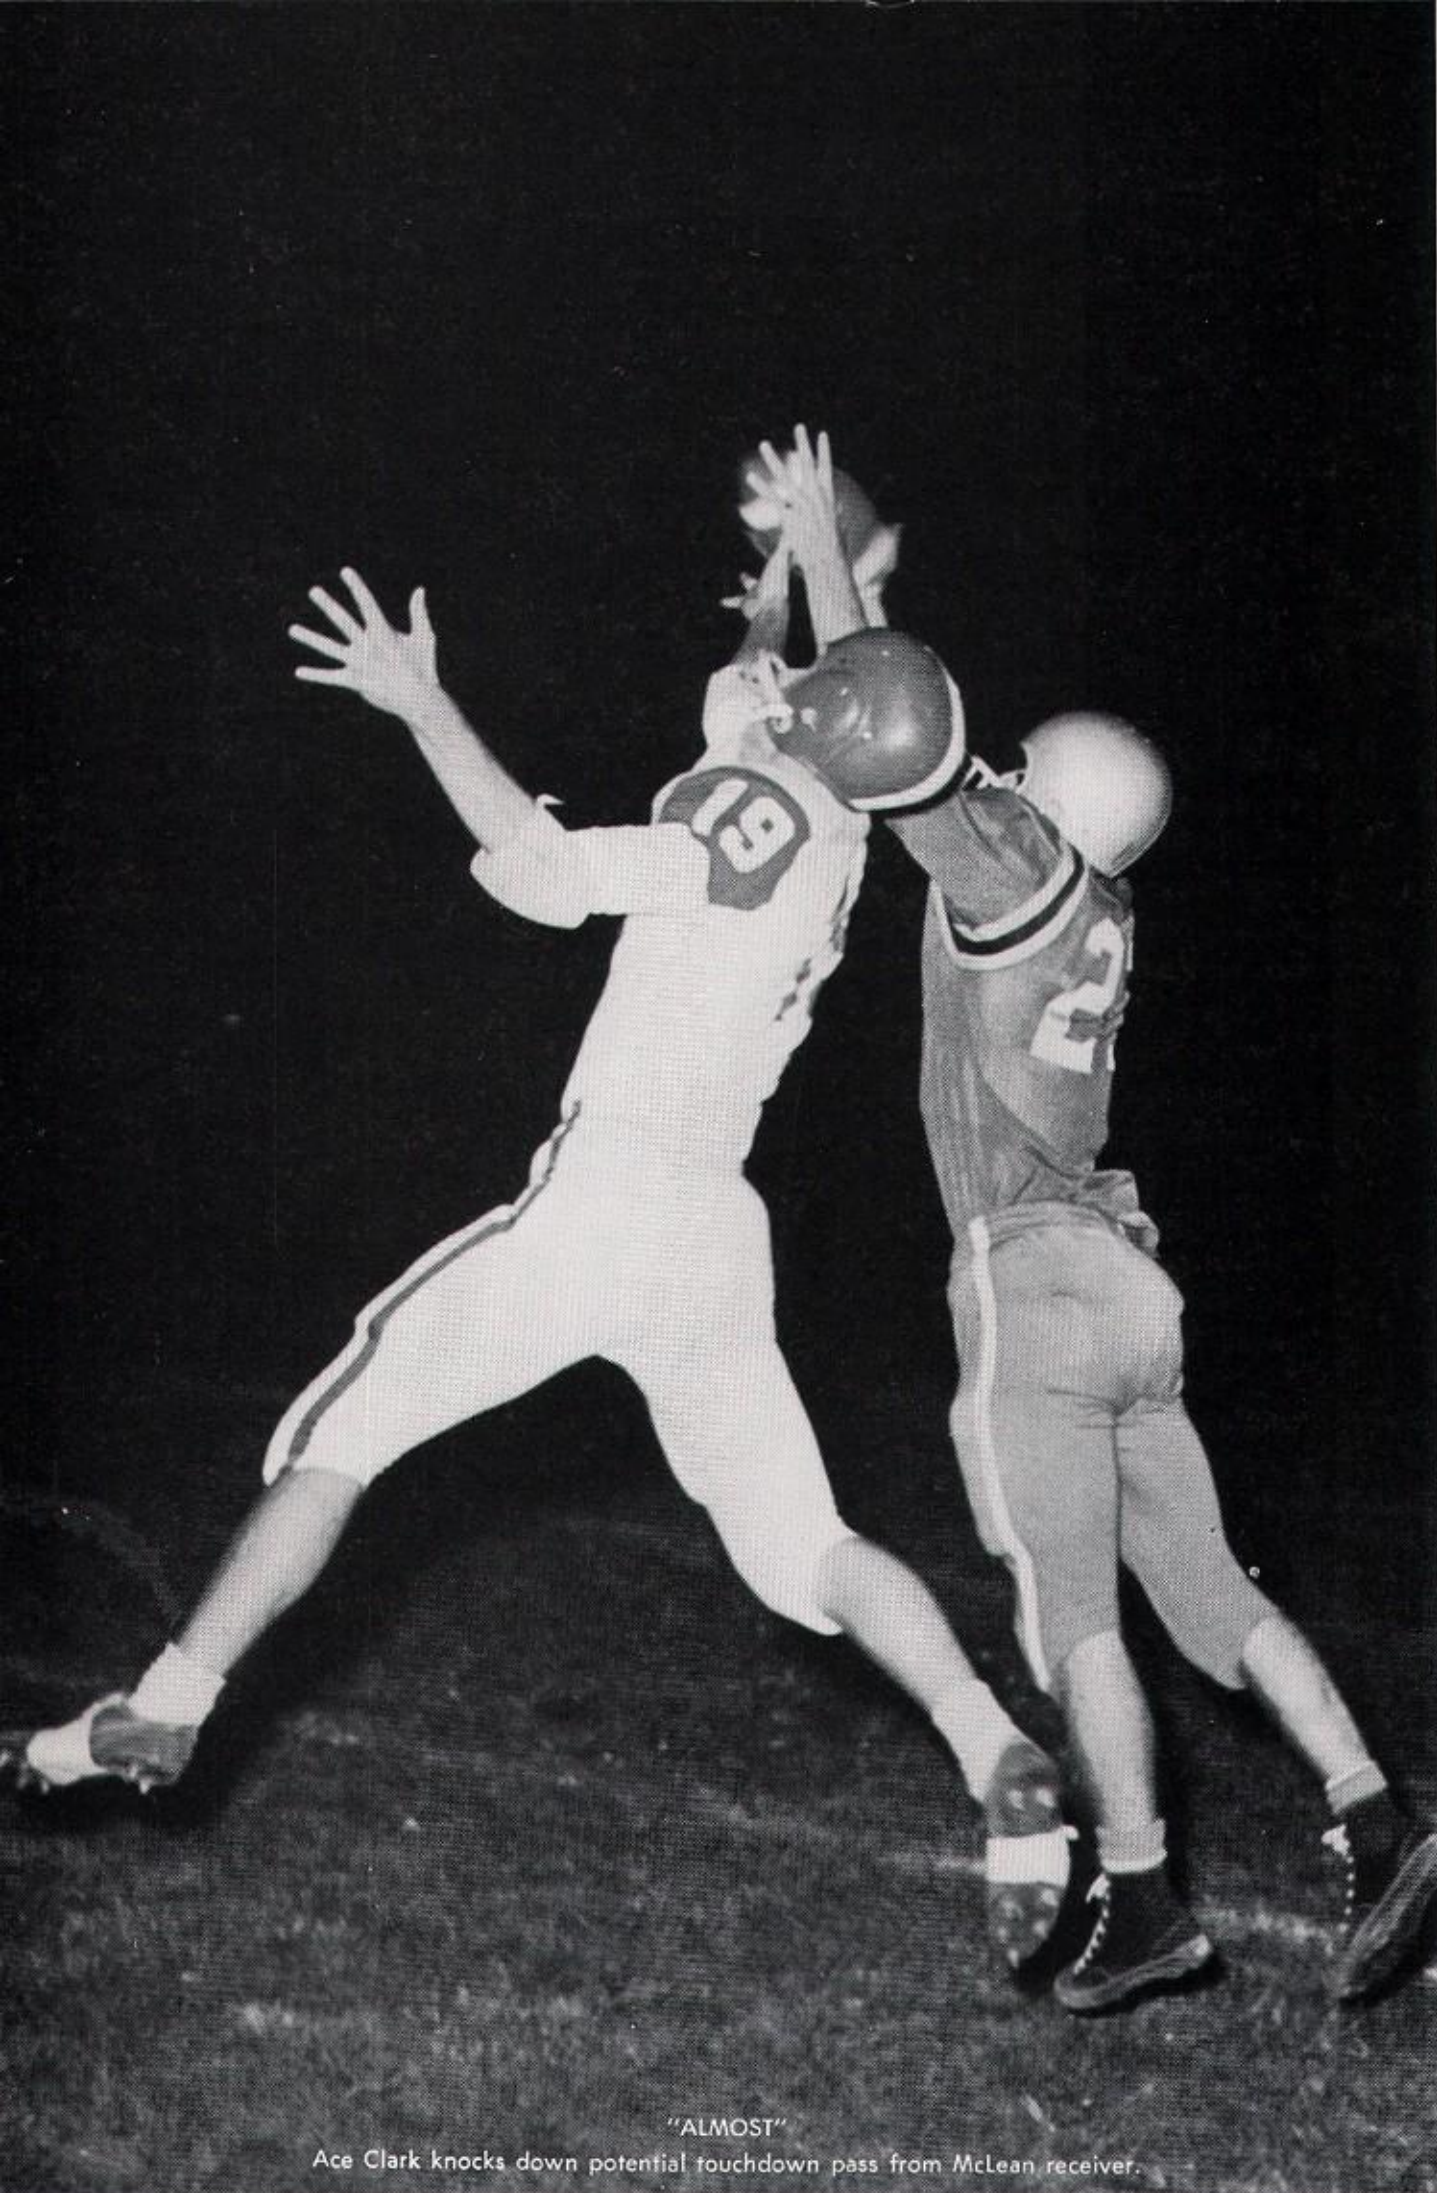

The battle with Stuart and the loss to the clock, the long T.D. passes from Flinchum to Leland, and the nullification of Shultz's eighty yard touchdown gallop against Groveton are merely a few of the memories.

The school spirit at Lee grew to a fantastic high this year. The Lancers' football squad, playing brilliant football throughout the season, inspired the student body to such an extent that they smashed all previous attendance records.

Shepard, Bob Belche, Jack Lucks. Row 3: Dale Anderson, Malcolm Murray, Mike Peeler, Bob Ferguson, Jim Norton, Jerry Plunkett, Harry Leland, George Kelley, Bill Dakin, Gary Frantz, Larry Curtis, Don Cooney, Roy Shimer.

"ALMOST"

Ace Clark knocks down potential touchdown pass from McLean receiver.

Lancers Demote Majors in 25-7 Upset

An anxious four thousand spectators cheered the Lancers as the surprise team of the Northern Virginia Group 1-A League demoted the favored Mount Vernon Majors, 25-7. Mt. Vernon won the toss, but after a disturbing thirty yard advance, fumbled. Mike Peeler snatched the ball for Lee, and a lightning sixty-seven yard dash put the Lancers ahead 6-0. The Flinchum-Leland forty-nine yard connection ended on the one-yard line. Captain Norton shoved the Majors aside, and Lee increased its lead, 13-0. Before halftime, the score reached 19-0, as the Lancer jet, Paul Shultz, zoomed sixty yards for the TD. Flinchum again connected, this time with Shultz, and overshadowed the Major's fourth-quarter touchdown.

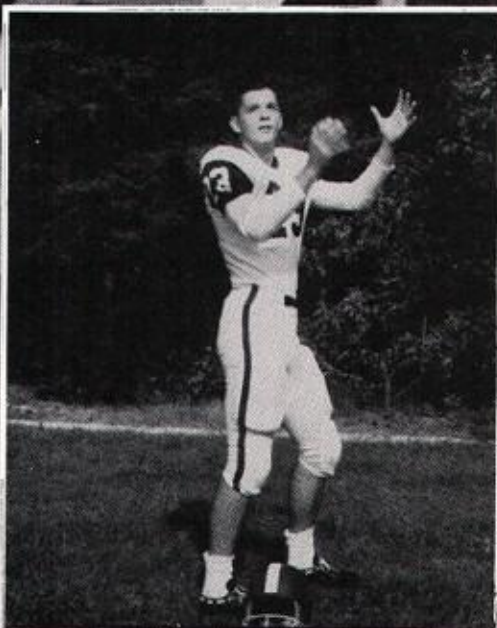

Double Victory — Lee Racks Tigers 20-0 Under New Lights

Under the new stadium lights, five thousand spectators, keen with the knowledge that the all of Northern Virginia had its eyes on Lee, cheered the Lancers on to the 20-0 victory over Groveton.

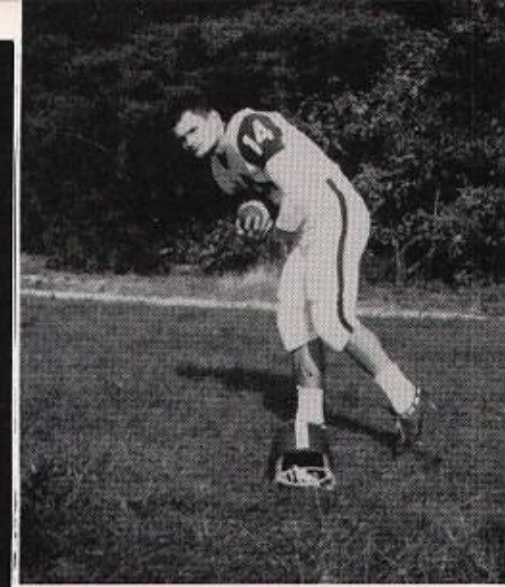

After a disappointing recalled TD, the combined team effort put the Lancers ahead 6-0. A Shultz dash of thirty-three yards gave way to an exchange of fumbles, which took the Lancer line to the twelve yard line. Three plays later, Jim Norton had raised the score 12-0, and Spates presented Lee with the extra point. Jon Clarke marched three yards for the final TD, and Ronnie Spates again added the extra point.

"BULLDOGGED"

Jon Clark (14) is blocking a Falls Church Jaguar on an end sweep, while in the background Randy Harrison (39), Harry Leland (26) and Frank Gatling (22) ponder the outcome.

"ALL ALONE"
Earl Flinchum (10) escapes for a surprise gain in the Fairfax tilt.

"LOOK OUT, PORKY"
Jim Norton (18) is snowed under by half of the McLean team.

"TWO AGAINST ONE"
Captain Jim Norton (18) with the aid of Harry Leland (26) have this McLean opponent to themselves.

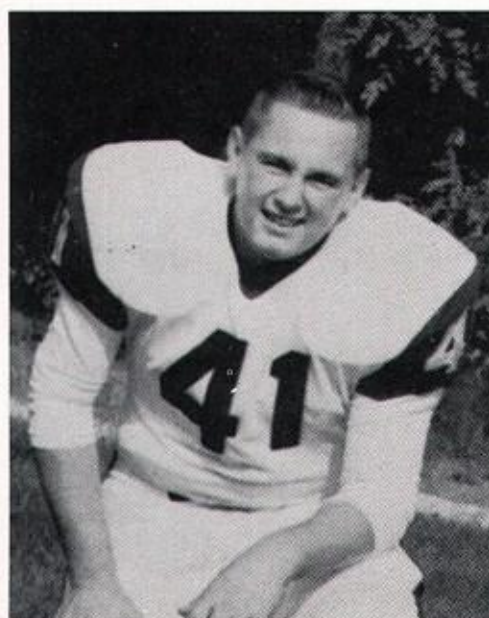

Third Battle of Bull Run Osborn of Manassas Sacked 12-6

Prepared for their second combat, the Lancers handed a frustrated Osborn eleven a 12-6 defeat on the losers' field. The Yellowjacket quarterback handed the ball to Bob Ferguson in the "amusing" mix-up which cost Osborn six points, as Shultz took Ferguson's gift from the five yard line to the goal. Their shocked line retaliated and the halftime score was 6-6. The Lancer-dominated second half yielded the winning TD on Jim Norton's flight in the third quarter. Osborn was not alone in its frustration as three Lancer touchdowns were called back on penalties. The Lancer victory was secure, however, and the Lee team was eager to meet Groveton on the Lancer field.

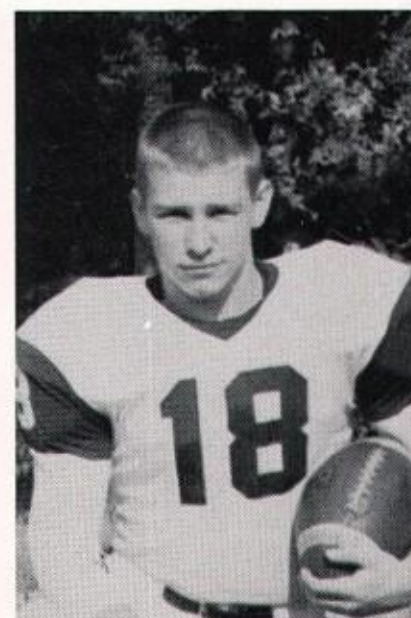

"THAT'S ALL"

Lancer Stopped by "Top Brass" 21-0

The heralded "clash of the undefeated" between the amazing Lee Lancers and the State Champ giants of Washington-Lee was the game of the season. A tense and exciting first half left the teams scoreless and exhausted. The Lancers had held three General stormings of the goal line, and W-L had stopped the Lancers within the ten yard line on four plays. Lee lost the second-half kickoff and the third quarter to W-L. Two quick General TD's put the massive eleven ahead 14-0. The Lancers were outclassed in brute force but the spirit on the Lancer side of the field soared. A pass to Jerry Plunkett in the end zone failed and the Generals continued their surge, raising the score 21-0 and handing Lee the first loss of the season.

Raiders Stun Lancers, 18-13

Revenge was in the air as the Lancers swore to tromp the Raiders. Stuart received the opening kickoff and forged into the end zone to take a 6-0 lead. The Lancers responded with a fake punt and advanced to the Stuart 14. Paul Shultz carried the ball for the extra point. Lee was ahead 7-6. The Raiders came back in the second quarter with two touchdowns and took an impressive 18-7 lead at halftime. The second half was Lee's, as Shultz dashed forty-seven yards to paydirt. The score stood at 18-13. The last few minutes of play became the thorn of frustration in Lee's winning season. Jeb Stuart gained only six yards in the fourth quarter and the Lancers' rampage from one end of the field to the few yards from the goal had the thousands of Lee spectators in a frenzy. Victory was our goal. It was first down, the Lancers had only two inches to travel and the clock gave the game over forty seconds. As the Lancer eleven prepared for the winning rush, the time was announced incorrect. The game was over.

Warhawks Score

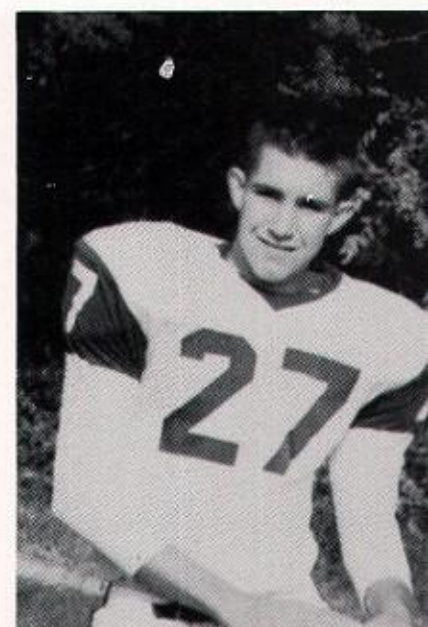

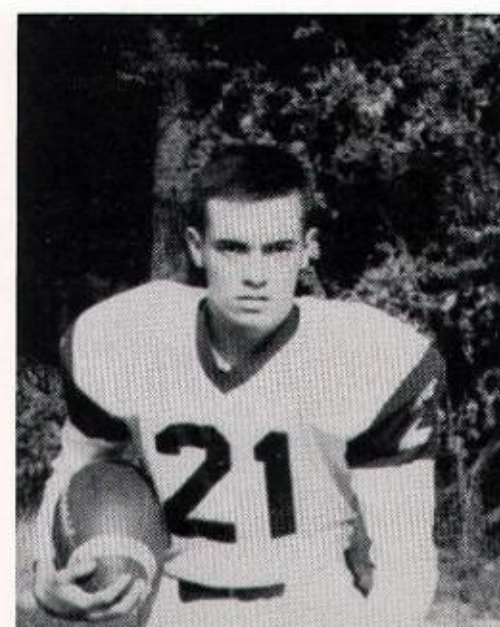

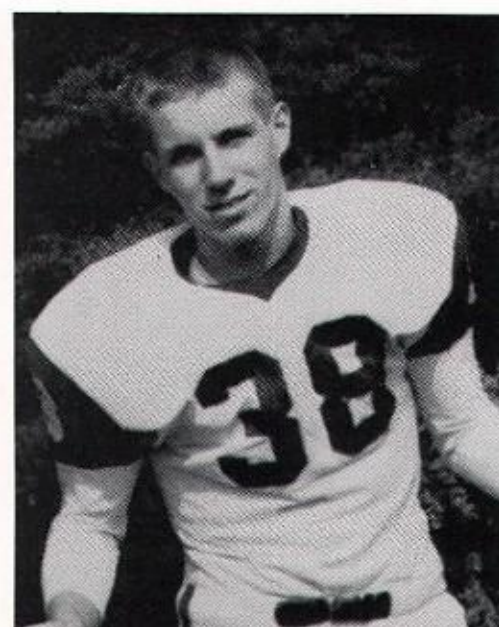

Lee High had one of her largest turnouts for the annual Homecoming game as Madison knocked the Lancers for their third consecutive loss.

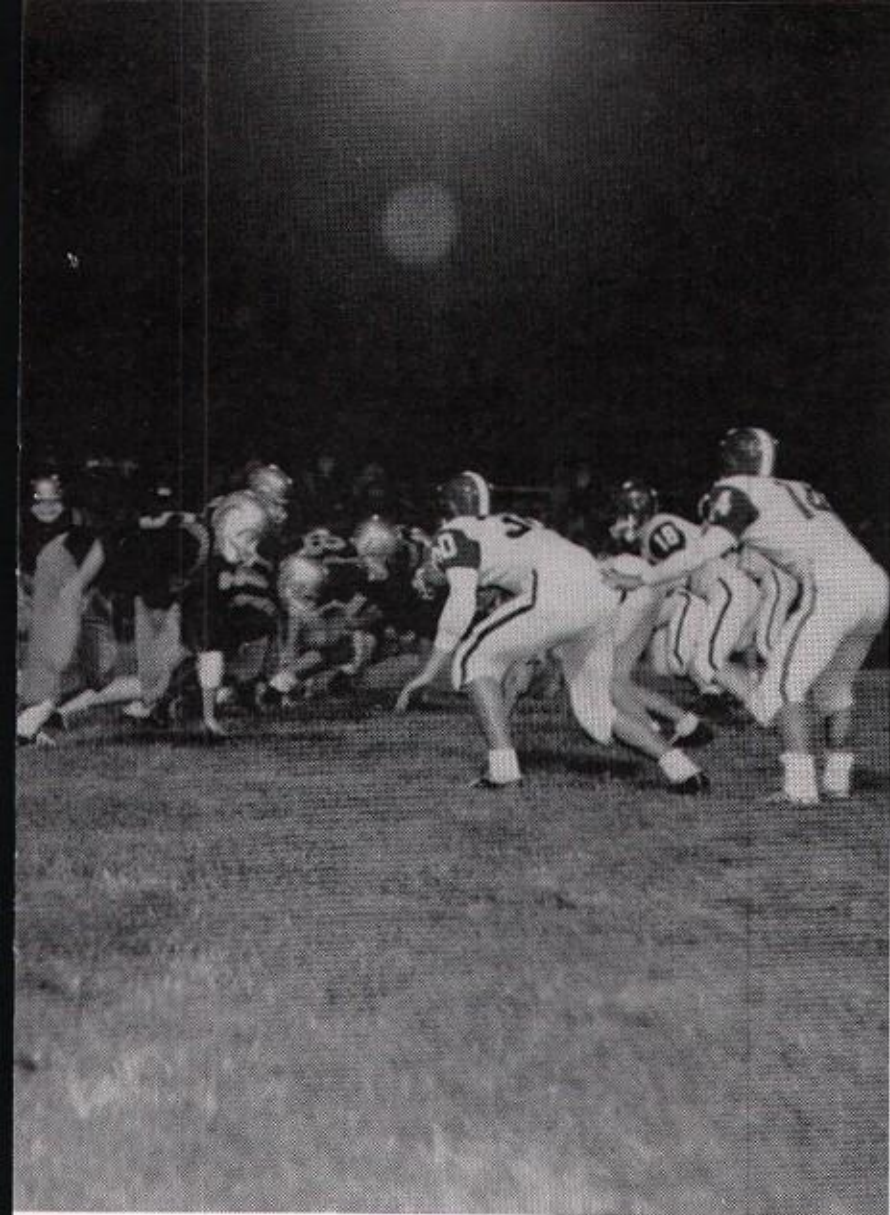

Lee provided its alumni with flashy first quarter performance highlighted by Jon Clarke's scoring the first six points and Ronnie Spates' connecting for the extra point, making the score 7-0. The Warhawks came back in the second quarter to make the score 7-7. Preston Blackwell was the final man on a reverse pattern but the first one into the end zone, giving Madison a 14-7 lead.

Lee Takes the High Road — Defeats McLean 20-18

The Lancers ended their three-game losing streak and landed McLean its first of the season.

Early in the game, two McLean drivers were crushed, and Flinchum and Leland went into one of their familiar touchdown passes. Lee went into the second quarter with a 7-0 lead, but the Highlanders, fearing an upset, scored.

In the second half, Flinchum raced fifty-eight yards and scored, and Jim Norton also crossed the line to raise the score to 20-6. The Highlanders also scored twice, but the failure of the two punts spelled defeat.

The Lancers won 20-18, shattering McLean's hopes for a Group 1-A championship.

half, with a pass to Harry Leland for the tying touchdown, and Ronnie Spates converted his second PAT of the night.

Following the lavish Homecoming ceremonies, the fans, looking for a sign of victory, returned to a 14-14 game.

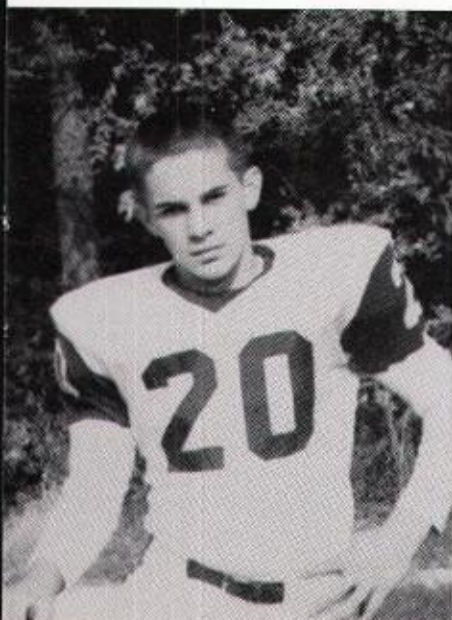

Blackwell, Madison's star player, put the finishing touches on a seventy-two yard drive with a plunge into Lee's end zone.

Late in the fourth period, the Blue and Gold undertook a final campaign to even the score but found themselves short on time, and the game ended with a 21-14 victory for Madison's Warhawks.

Lancers Swab Admirals Hammond Fleet Sinks . . . 19-14

The Lee Lancers, trailing 14-13 in the fourth period on a disputed extra point conversion, awakened their sleeping offense of Paul Shultz and Porkey Norton and nipped the Admirals, 19-14.

The Lancers scored first on a brilliant 39 yard run by Paul Shultz midway through the opening quarter. The Lancers then made it 13-0 with a 12-yard drive to open the second period. Starting from the Hammond 37, the Lancers pounded at a stubborn Admiral defense which yielded less than three yards per carry, until they reached the nine yard line. Then Flinchum took to the air, and connected with Harry Leland for 13 yards and a touchdown.

The Admirals jumped back to dominate the contest until Lee gained possession in the fourth quarter after a Hammond fumble.

Sailing a quick 67 yards, the Admirals came back to make the score 13-7 at the half. Late in the third quarter, Sykes of Hammond scored again. The PAT was good and the Admirals took the lead 14-13.

The Lancers had not given up the ship, however, and, surprising the Admirals, came back in the final period with a touchdown by Jim Norton, sinking the Admirals 19-14.

Rebel Fieldgoal: Margin of Defeat — 17-14

The final game of the season was a thriller from beginning to end. After recovering a Fairfax fumble on the Rebel 31, early in the first quarter, the Lancers marched the ball down to the Rebel 15.

In a tight fourth and nine situation, Lee's quarterback, Earl Flinchum, came through with a 16-yard touchdown pass to Jerry Plunkett, followed by Speedy Smith's perfect conversion making the score 7-0.

The fired-up Fairfax team, after winning their last five games, came back and returned the kickoff 57 yards, putting quarterback Kelly in the same position that Flinchum had been in previously. He also connected with end Jon Schulstad to even the score 7-7.

Lee, however, came roaring back parleying the hard running action of Paul Shultz and Porkey Norton for a 55-yard drive climaxed with a touchdown by Norton.

The score again was tied, and during the final period, Fairfax took a punt and marched it from its own 40 to the Lee seven. It was then that Jim Jensen of Fairfax displayed his excellent ability, by kicking a history-making fieldgoal which ended the game in a 17-14 victory for Fairfax.

"13 LOOKING FOR FOURLEAF CLOVERS?"

Lancer Gary Frantz (13) proves unlucky as he accidentally gets in the way of Jaguar (32) carrying the ball. Lee defeated Falls Church with a 34-14 score.

The Varsity Cheerleading Squad for 1961-1962 is composed of seven girls chosen from the Sophomore, Junior and Senior Classes. This year there are six seniors on the squad; more than have ever been on the Varsity squad at one time. Karen Mack moved after the football season and Lynette Albertazzie took her place for Lee's basketball season.

Two weekly practices keep these girls in perfection. The selection is based on competitive tryouts before impartial judges. Skill, attractiveness and personality constitute the judging areas. The basic cheerleading skills are needed with added attractions such as splits, cartwheels and various jumps. These girls strive to keep high competitive spirit and good sportsmanship. This is accomplished only through the interest and support of the student body.

By leading the student body in its favorite cheers, these girls help maintain school spirit and set an example of enthusiasm for the school.

Each fall in competitive tryouts girls are chosen for the Freshman Cheerleading Squad. Starting from scratch, with the help of the Varsity Cheerleaders, these girls soon gain the skill that is necessary to arouse the interest and support of the entire Freshman Class.

The Rebels of Fairfax High saw Lee come from a 26-18 deficit at half-time, tie the score during the third quarter at 33-33, and finally romp to a 57-49 triumph.

WAKEFIELD 47, LEE 49

In a winning effort, the underdog Lancers surprised the Wakefield Warriors 49-47. Lee took the lead early in the contest, but Wakefield closed the gap at 37-all. The issue was undecided until guard Mike Peeler sank a jump shot with seven seconds remaining in the game.

The basketball team of the 61-62 season was the best thus far at Lee. Perhaps they didn't win top honors in the league, or tournament, but for the first time Lee secured a position in the Northern Virginia Tournament and had a winning season. Although Lee's Varsity lacked exceptional height, they performed very well this year and can look back upon a successful year not only in winning games, but also in developing teamwork and sportsmanship. The basketball record has improved every year; so, with a 9-8 record the Lancers can look forward to an even better year in 62-63.

Lee High School, anything but a basketball power in its first three years of competition, opened the 1961-62 season by routing Osbourn 76-39. By scoring twenty-seven points, Bob Wills opened his bid for Northern Virginia scoring honors.

FALLS CHURCH 47, LEE 57

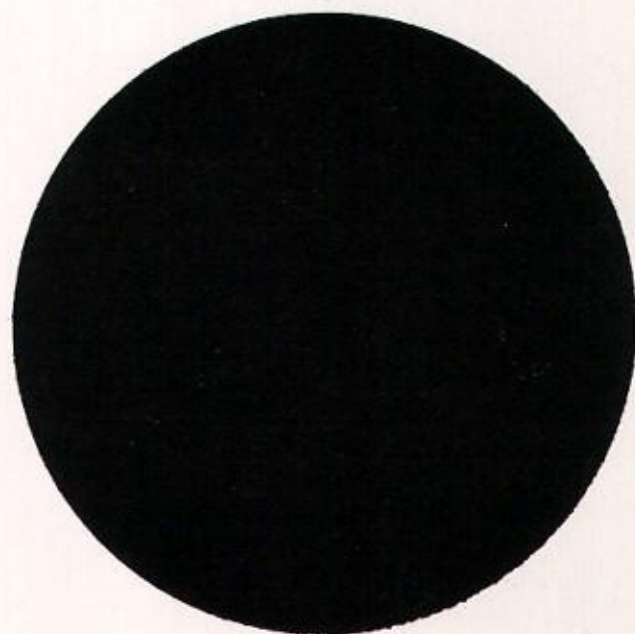

Lee scored an exciting victory over a fired up Jaguar squad at the Falls Church gym. A fine team effort gave the Lancers their seventh victory.

MADISON 47, LEE 61

The Madison Warhawks came to Lee intent on spoiling the Lancers' tournament hopes. Lee rose to the occasion, however, and convincingly defeated the Warhawks 61-47.

STUART 46, LEE 52

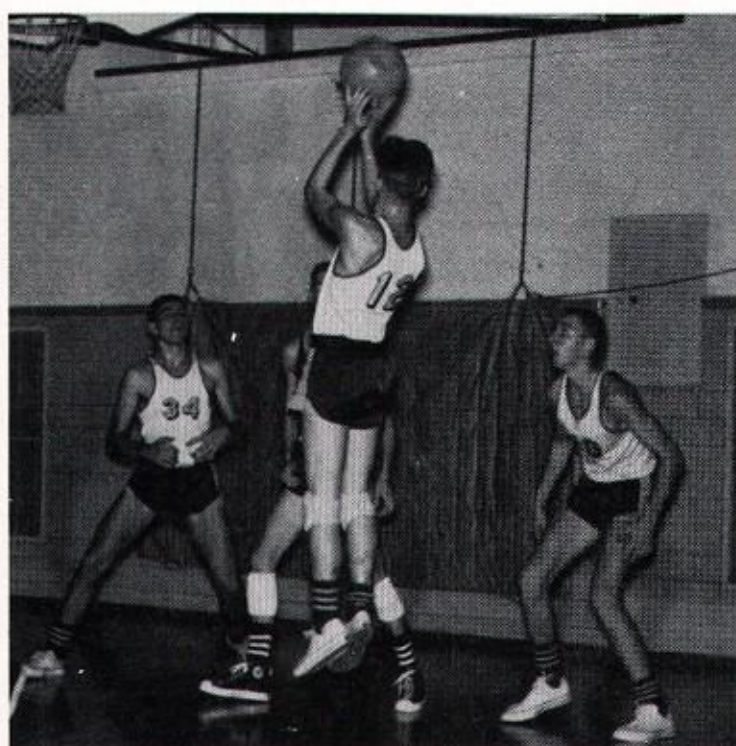

Trailing 25-18 at halftime, Lee dominated the second half, scored twenty points in the fourth quarter, and cruised to its ninth win.

Decisive victories over Groveton and McLean highlighted the year for the Lancer matmen, while the most exciting triumphs were against Mt. Superior achievements by the Lee grapplers included a second place finish in Northern Virginia by 127 pounder Toshihiko Nobe, and the winning records compiled by Art Osgood, Bruce York, Royce Singleton, Nobe, Dave Brown, Nelson Travis, Jon Clarke, and James Norton.

The Student Cooperative Association is the most important and effective organization at Lee. Started in 1958 when the high school opened, it has functioned under the sponsorship of Col. Koehler and Miss Worsham.

The objectives of the S.C.A. are to promote better student-faculty relations, act as an intermedian between the administration and the students, and to promote the general welfare of the high school and the student body.

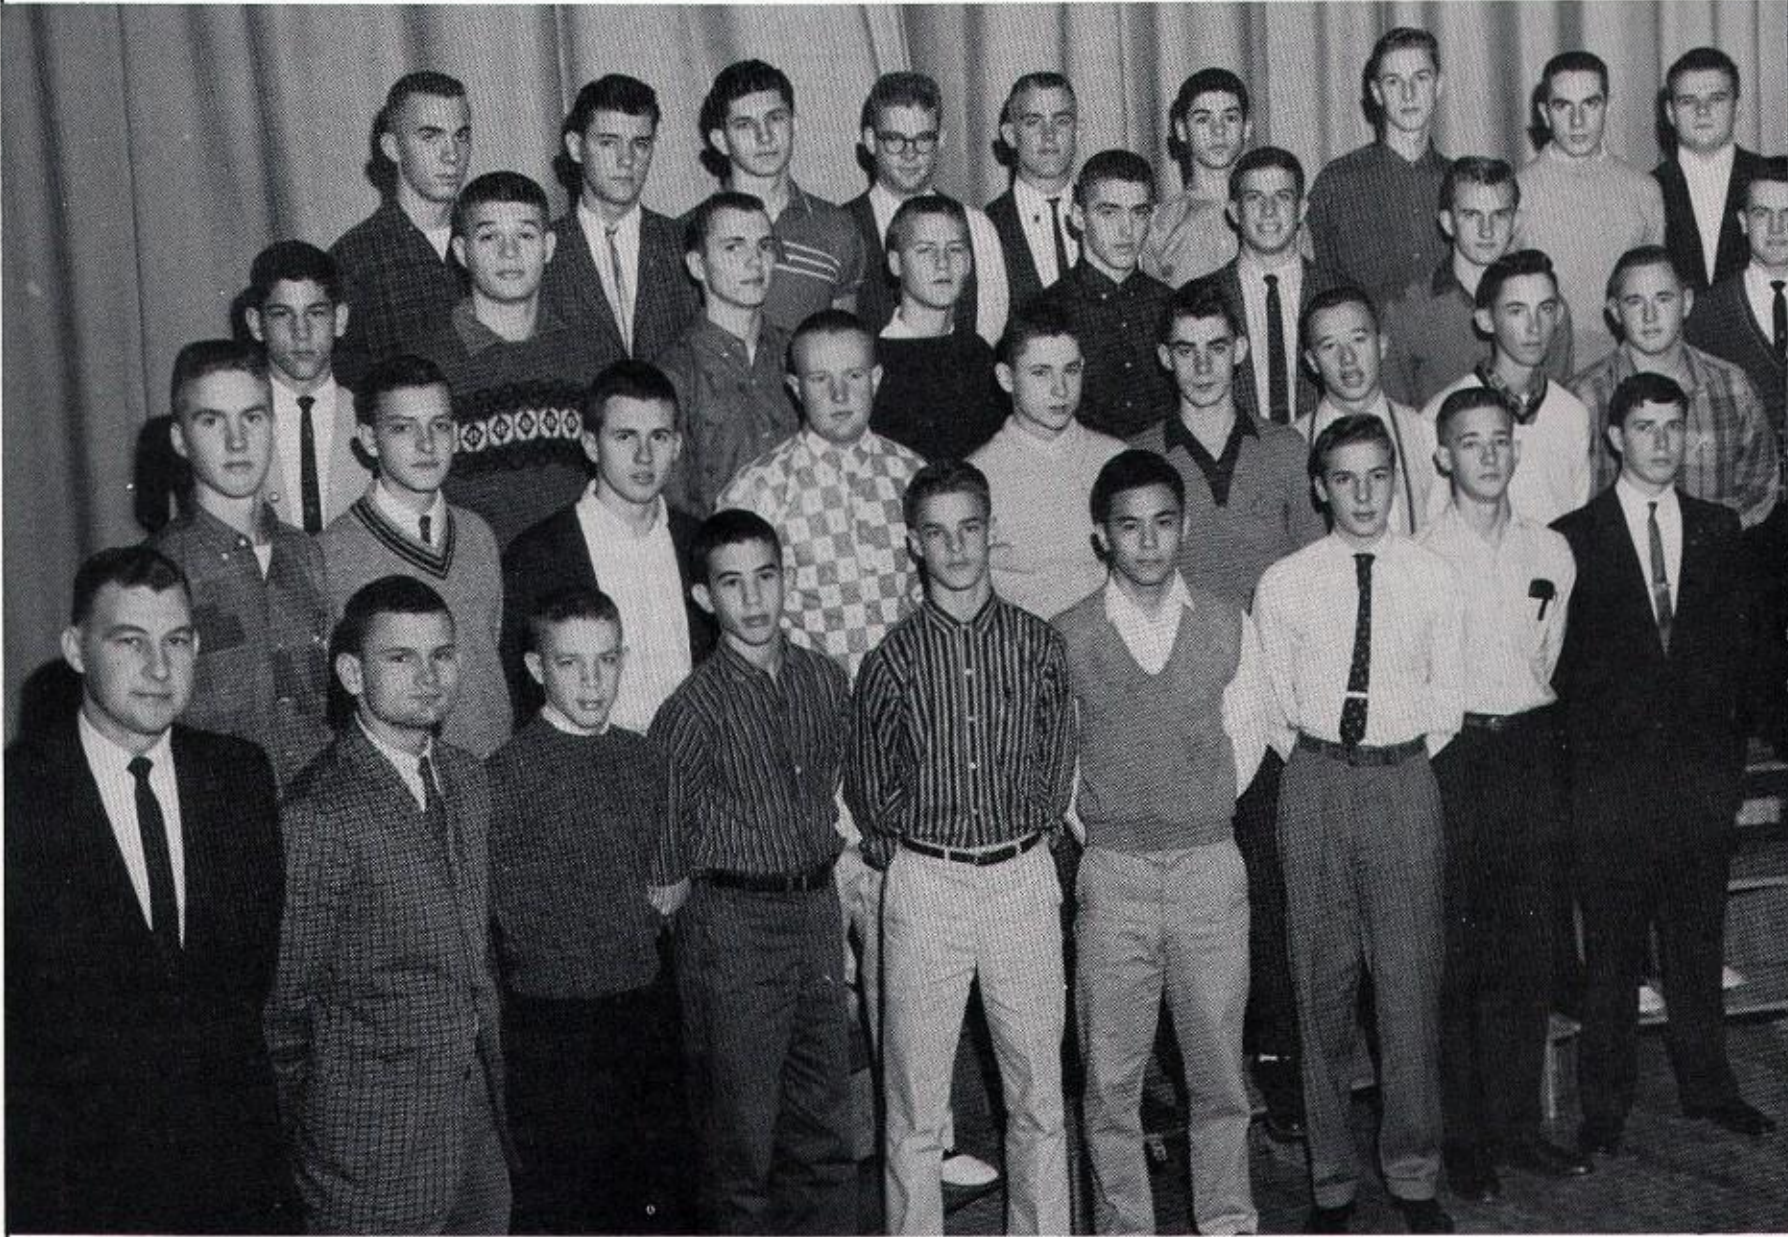

Unlike any other organization, the S.C.A. includes in its membership the entire student enrollment. The 1950 students are represented by four different sections of the council. The largest of these being the homeroom representatives. One member from each Social Studies class is elected and their responsibility is to attend the bi-monthly meetings and to report the data to the class.

The Cabinet members are selected persons, filling such positions as Chaplain, Inter-Club Council Secy., Assembly Chairman, etc.

Two Senators from each class are elected by their individual classes to represent their class as a whole.

Last, but not least, come the four main officers. Their sole responsibility is that of keeping the Student Council functioning smoothly.

The Key Club is made up of thirty-six boys who are chosen for their leadership qualities and high scholastic standings. The club, one of the first at Lee, has been in operation for four years.

To promote higher standards of scholarship and sportsmanship, to develop good citizenship, and to serve the school and community are the aims of the Key Club.

The Student of the Month award, given by the Key Club each month honors outstanding students. They sponsor the March of Dimes and Christmas Seal campaigns. Taking care of the school grounds is also one of their responsibilities.

The Keyette Club of Lee High School is made up of thirty-seven outstanding girls selected from the student body on the basis of their leadership and academic records.

The purpose of the Keyette Club is to serve the school and community and to develop initiative and leadership. The activities of the club support these ideals. This year steps were taken to adopt a war orphan. In cooperation with the Key Club, the Keyettes held a Christmas food and clothing drive. Other Keyette activities include "Twerp Week", a bake sale, and the annual fashion show.

National Honor Society's fall initiation.

One of the highest honors a student can receive is election to the membership of the National Honor Society. Each year a few worthy students are added to the roster of honor. Before being considered for membership, the scholastic qualifications, citizenship and service of the prospective members are carefully studied.

This year the National Honor Society again devoted itself to maintaining its goals of encouraging and recognizing scholastic achievement and scholarship.

Running the school's paperback book store was one of the main functions of the club. With the money earned from the sales, the National Honor Society initiated a scholarship this year. Compiling and posting the Honor Roll after each marking period was another important activity of the club.

at Community Elementary Schools

The Future Teachers of America is one of the outstanding clubs at Lee High School. The main objective of the club is to further the teaching profession and to stimulate a desire in students to follow a teaching career.

Members of the club assist the high school teachers and observe at local elementary schools

once a month. This year they sponsored a contest in an effort to find a design for our school flag.

Every year the Future Teachers of America makes awards to outstanding students. Their citizenship award is given to a member of the Junior Class. They also offer a Scholarship Award.

Rifle Club Emphasizes

Safety With Firearms

For two years the Rifle Club has been an active part of Lee High School. Its principal purpose is to teach the principles of marksmanship and to show members the proper use of rifles.

The main activity of the Rifle Club is the sponsoring of the Varsity Rifle Team. Other activities of the club include safety courses and matches held within the club.

The Art Guild, under the sponsorship of Lee's Art Department, is not only a service to the school, but also a source of enjoyment to its members. In the fall, the Guild presented its second annual fashion show and in the spring it exhibited the first Lee High Art Show. A majority of the Art Guild members was also responsible for the sets and costumes in the school music presentation of "H.M.S. Pinafore." Copper enameling was another popular activity. Later the Art Guild presented the Art Department with a newer and larger kiln. The Guild finished the year by visiting the Phillip Art Gallery of contemporary art.

The fifty members of the Drama Club comprise one of the largest clubs at Lee. The Club aims to further an interest in all aspects of drama and to give its members experience in producing and directing productions.

This year the Drama Club had a full schedule. Having an evening of four one act plays and entering the One-Act Play Contest was one of its major undertakings. A children's play and an exhilarating musical were other activities on the agenda. The Drama Club also assisted with the production of the Junior and Senior Class plays.

The Latin Club is composed of students who are presently enrolled in a Latin course. The club's objectives are to further the knowledge and appreciation of ancient Rome and to learn the customs of modern Italy.

In December the Club has a Saturnalia which is a Christmas festival. In the spring, the members gave a Latin play for the student body. The big activity of the year was the Roman banquet held just before school let out. Everyone came dressed in togas and lived like a citizen of ancient Rome for a few hours.

The object of the French Honor Society is to stimulate interest in the study of French, to promote higher standards of scholarship, to reward outstanding scholastic achievement, and to create enthusiasm for understanding French culture and civilization.

These purposes and ideals are carried out through activities such as field trips and lectures. This year the Society took two trips, one to a French movie and another to the National Gallery of Art to view French impressionists. Also, there were lectures by different professors on French politics, music, and art.

Another year of rushing to meet deadlines once a month has made the '61-'62 Lance history, and another staff has moved forward, leaving the newspaper a year older and a year wiser. Success and failure, work and pleasure, fun and sadness all have played their part in the Lance's production.

The Lance, although it has published no occurrence of great importance to the world, has kept the student body up to date on sports, school activities, and the accomplishments of many outstanding students.

While doing all this the Lance has fulfilled its purpose of training and teaching the fundamentals of journalism.

Senior's in PIPELINE

The class of '62 continued a tradition by publishing the Senior Pipeline. This paper contains all the latest news about Seniors and keeps members of the class informed of future activities. Items such as poems and stories by class members, articles about prominent Seniors, and other columns of interest are also included. The Pipeline is a constant source of entertainment and information to all Seniors.

The Junior Jargon is an informative bulletin written for and by the Juniors of Lee. It is published each month and given free of charge to the Juniors. The paper contains a gossip column as well as news of coming events. Each month the Jargon elects a Junior of the Month. This award is given on the basis of scholarship ability, leadership, and citizenship. Other items of interest are also included in their paper.

undry Jobs

Lee's busy Guidance Department would be at a loss if it were not for the able assistance offered by its student helpers. These helpers perform the many time consuming odd jobs that are necessary in keeping the office running smoothly.

The Office Help's responsibilities parallels the Guidance Department aids in the duties that they so willingly perform.

Lee's library has thousands of books to be cataloged, shelved checked in and checked out. Our student "librarians" greatly aid Mrs. Carleton and Mrs. Lundin in these duties. New books are always coming into the library, and have to be typed up and listed. If it were not for the student aids, our library would not be as it is. Any student is eligible, but must first be interviewed by Mrs. Carleton.

Bus Patrols Provide Safety on Buses

Two students from each period serve as student helpers in the clinic. This is particularly appropriate for students considering medicine or nursing as a career. They provide assistance in receiving, record keeping, screening, and some simple first aid. In Mrs. Mainwaring's own words, "I couldn't do without them!"

Audio-Visual Aids Oversee Movie Gear

Audio-visual aids are considered valuable assistants in the eyes of the teachers at Lee. These students take care of running all the projectors and other visual equipment.

This is the first year that the group has been organized as a club. The responsibility on these students is great.

H.M.S. Pinafore

On April 12 and 13, H.M.S. Pinafore, an operetta written by the famed team of Gilbert and Sullivan, was given by the Music Department. The operetta, a satire on the British Navy, is noted for its humor. Miss Worsham and Mrs. Wade directed the production. The cast included: Barbara Burke as Buttercup; Glenn Kirby as Ralph Rackstraw; Tom Cushman as the Captain Corcoran; Pam Nagle as Josephine, the Captain's daughter; Tony D'Ambrava as Sir Joseph Porter, K.C.B.; Clair Farley as Cousin Hebe; Dennis Patch as Dick Deadeye; Bill Simms as the Boatswain; and Buddy Allen as the Carpenter.

With the money earned from concerts and special programs such as H.M.S. Pinafore, given throughout the year, the department, aided by funds raised by the Music Boosters Club, purchased a complete recording and playing stereophonic speaker system.

For Christmas the choruses and bands collaborated to produce the annual Christmas at Lee record.

Concert Choir, and The A Cappella Choir
compose the vocal groups, while The Con-
cert Band, The Reserve Band, The Marching
Band, and special ensembles make up the
instrumental sections.

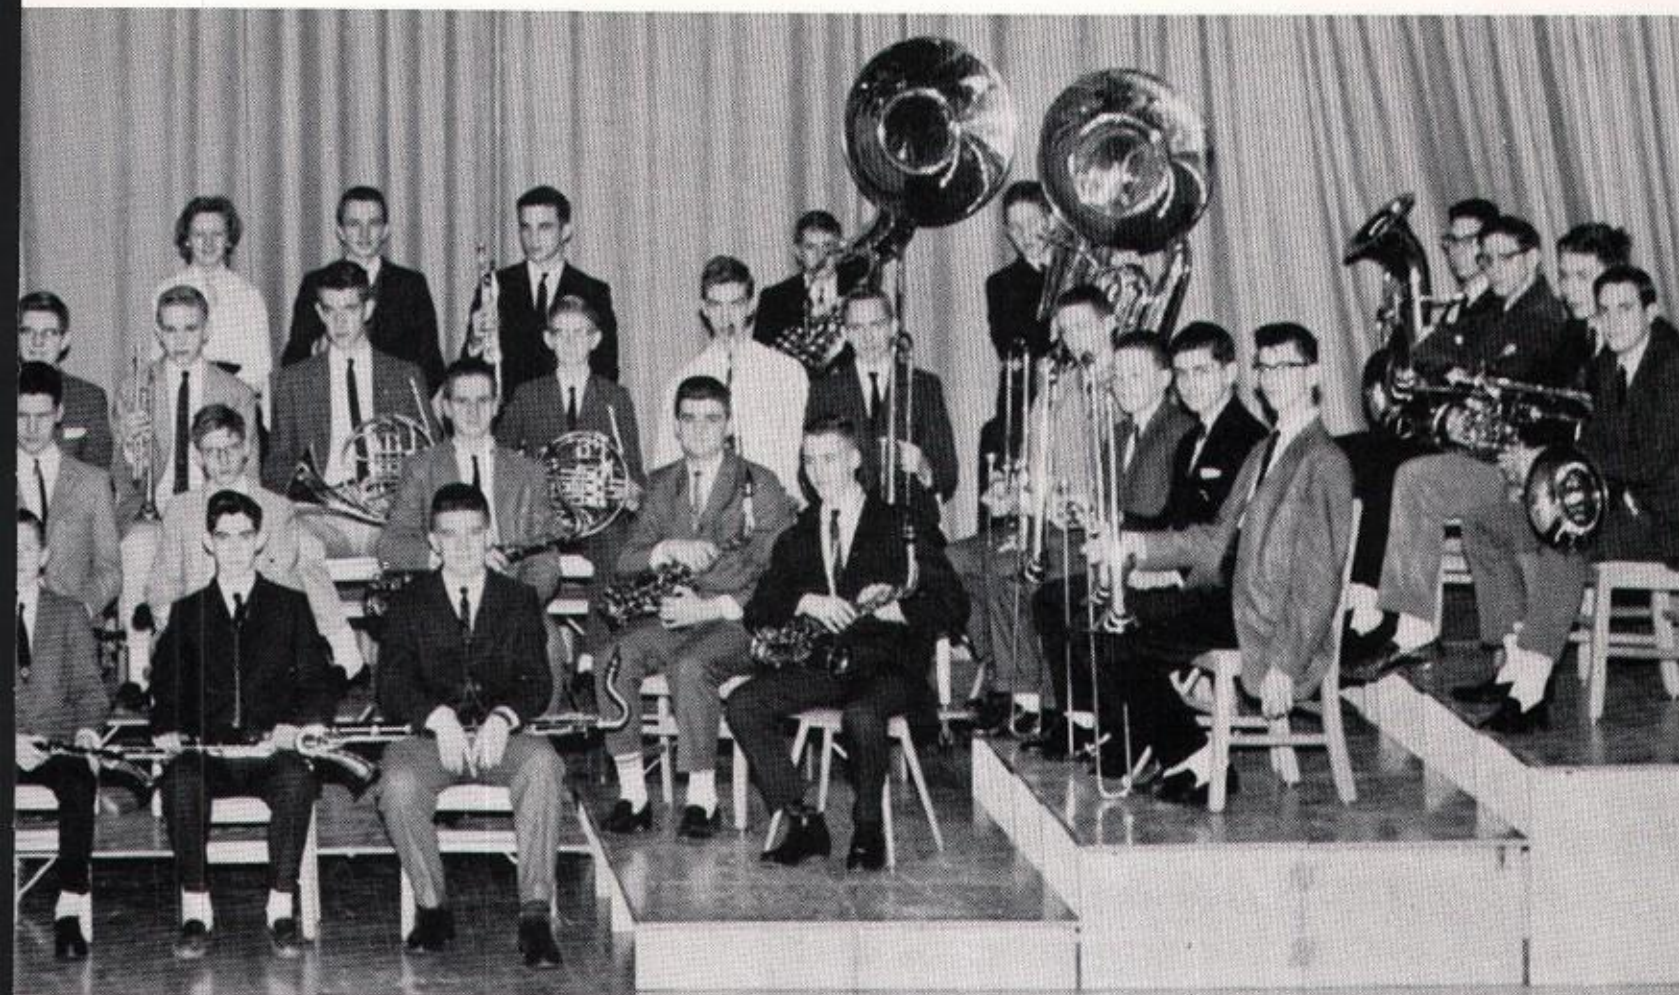

Each year the choruses participate in the
All State Chorus. They also enter the Chorus
Festival and are graded according to their
accomplishments. Lee's choruses have al-
ways been rewarded for their outstanding
abilities by receiving superior ratings. During
the Christmas, Thanksgiving and Easter sea-
sons, the choruses gave special assemblies

"MISS LYNN LUEBBE"

Majorettes and Drill Team

Majorettes were a first this year to accompany Lee's band. The girls were selected last year by Mr. Inglefield and started their practice early in the summer months. Uniforms were bought by the Music Department. Lynn Luebbe, a National winner, led the group.

Sherry Smith, Barb Bronco, Lynn Luebbe, Di Stratton, Judy Kihn

Add Glamour to Games

The Drill Team, often referred to as the Pom Pom Girls, was another first at Lee this year. These girls perform at the basketball games to music. All the members of the squad are Sophomores.

HOMECOMING QUEEN

As the fall air becomes nippier, the Lee High alumni flock back to the campus for the annual Homecoming weekend.

Thursday night, around a blazing bonfire, the cheerleaders led the school body in rousing cheers.

On Friday night, the Lancers sought to scalp the Warhawks, but Madison beat the clock and won by seven points.

During the halftime, the spectators were treated to a lavish parade. The S.C.A., instigator of the affair, presented prizes for the outstanding floats. First prize went to the Shield and Lance float of a Viking ship.

Alumni and students both returned Saturday night for the gala Homecoming dance and made it a night that will long be remembered.

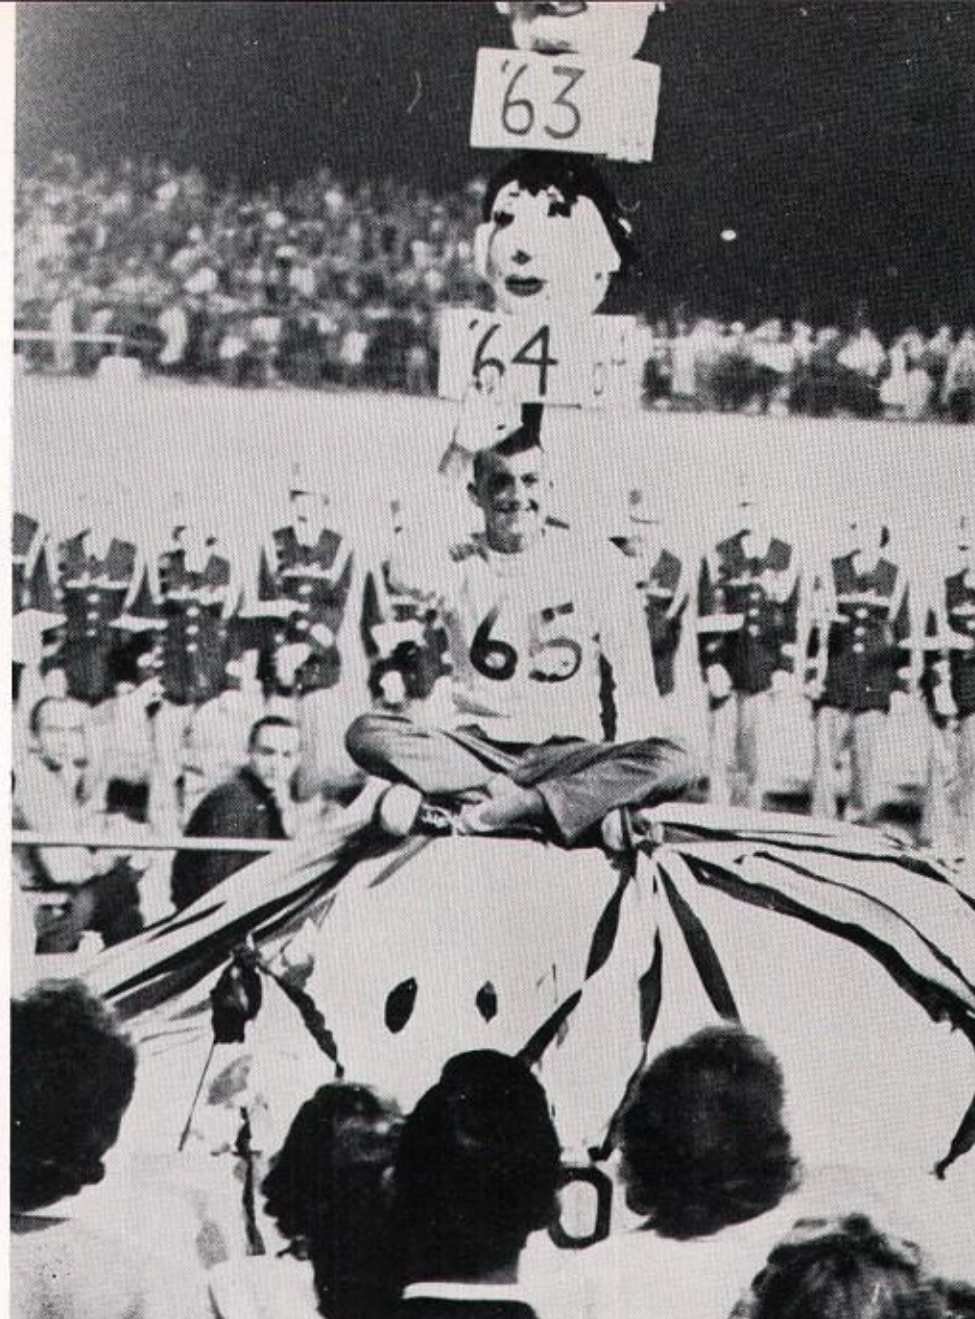

Homecoming Creates Traditions

Excellent production and planning of the Shield and Lance staffs is well rewarded by receiving top honors, first place in the Homecoming of 1961.

Mr. Parrish presents the 1961 Homecoming Queen, Barbara Brook, with the traditional bouquet of white roses.

Low man on totem pole not so low when it comes to judging . . . walks off with third place. Freshman class makes a fine showing in Homecoming activities.

Senior class float takes second place in Homecoming festivities.

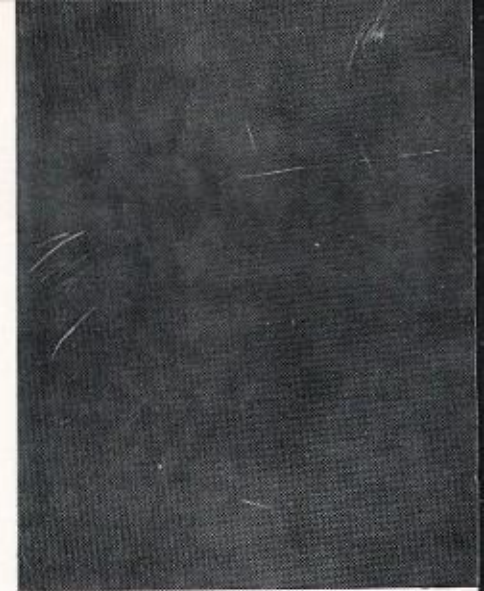

Lights for Lee, a campaign to insure installation of lighting for the Lee High School stadium, was sponsored by the Franconia and Springfield Junior Chamber of Commerce.

Students collecting \$1400, benefit performances at school, and donations of local businesses and organizations fulfilled the monetary stipulations.

Mr. William C. Parrish accepted checks from Ted Clarke, President of the Student Council Association and Bill Harvell, Chairman of the "Lights" Committee of the Junior Chamber of Commerce. These and other checks were deposited in a Lights for Lee account opened at the Virginia Savings and Loan Association.

The merchants of Springfield sponsored a pep rally and bonfire the night before the first game was to be played under the new lights. That night the lights illuminated the field for the first time.

"BEFORE OUR LIGHTS"

Thanks to Mr. Millan, this was not a scene opening game night!

The unsung hero of this campaign to have lights for football is Lee's Athletic Director, Mr. Mike Millan. It was he, through constant effort, use of his own time and money, and devotion to Lee High School, who made the lights a reality.

The Shield Staff wishes to extend our gratitude and appreciation on behalf of the faculty and student body to Mr. Millan and all concerned.

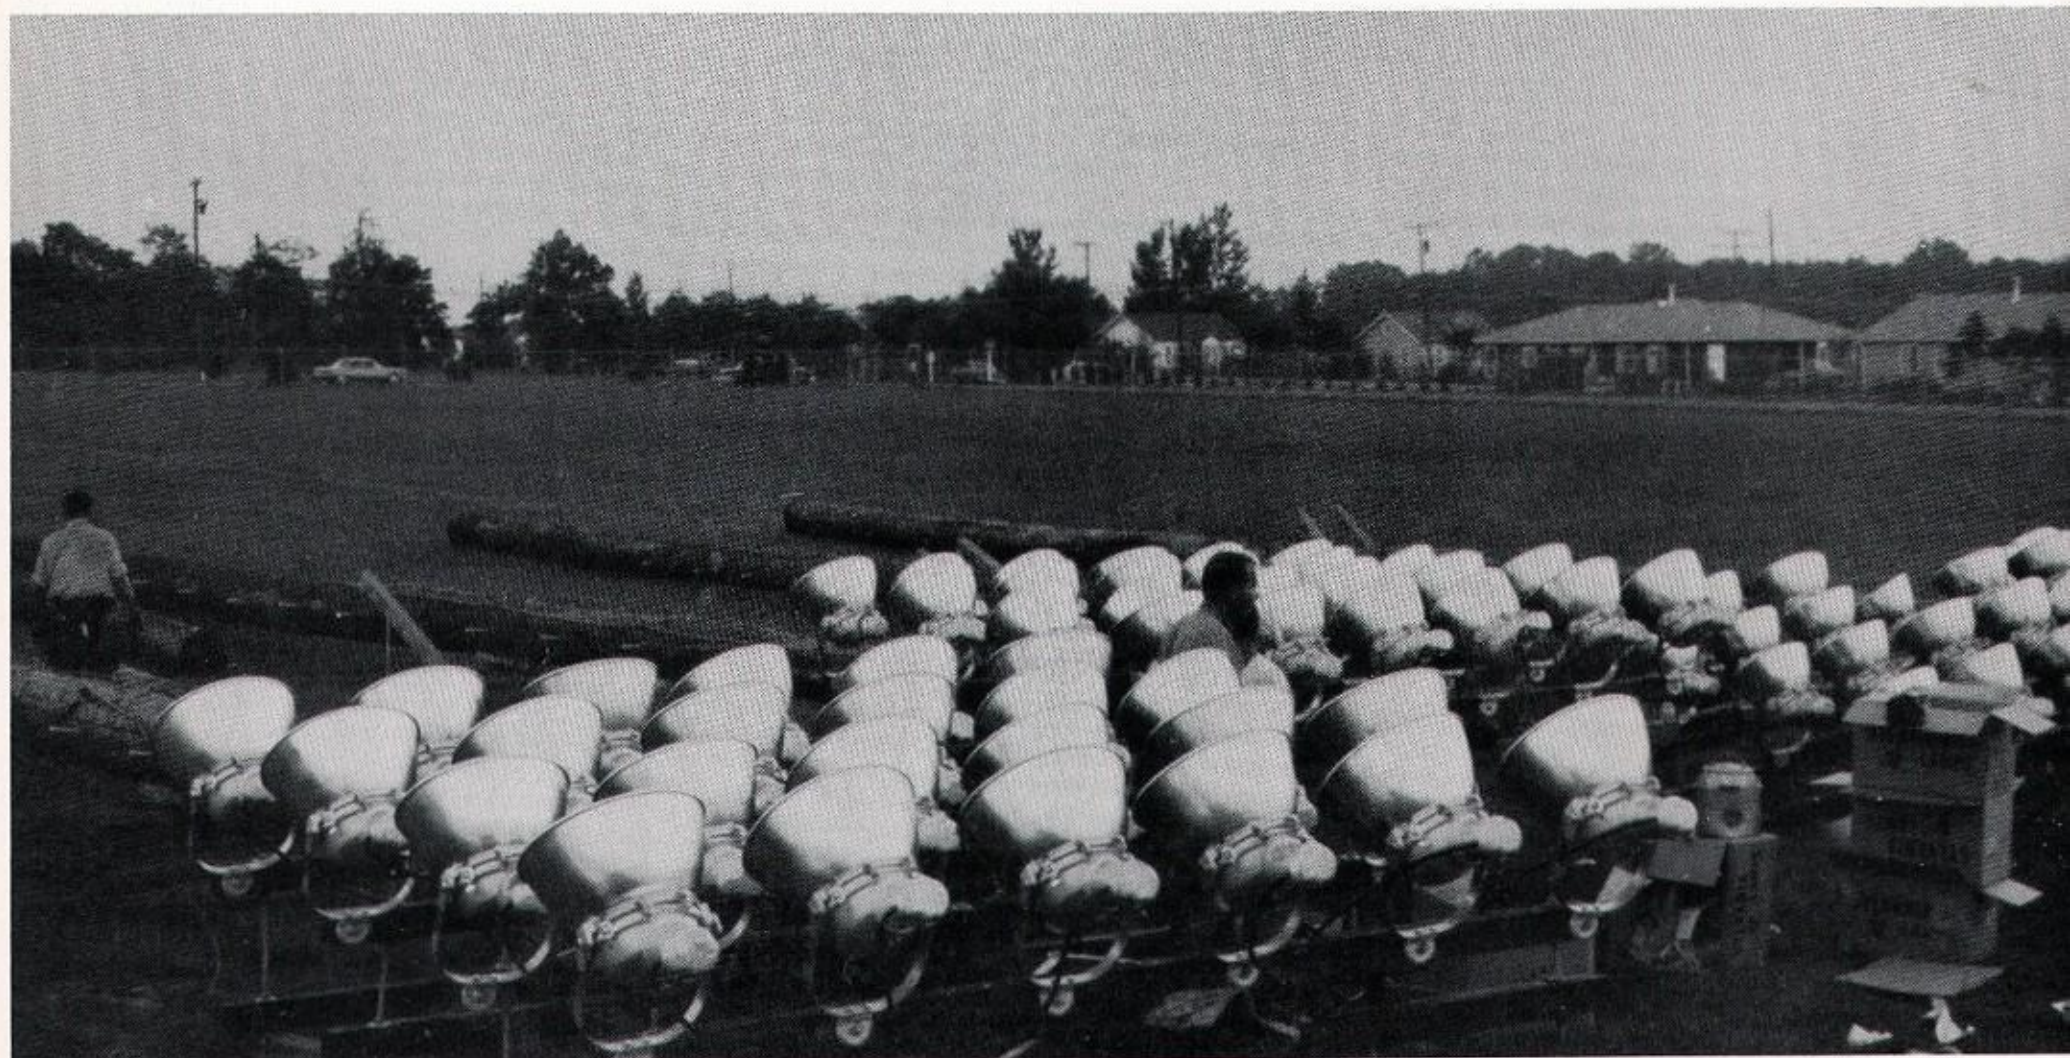

Lights for Lee —

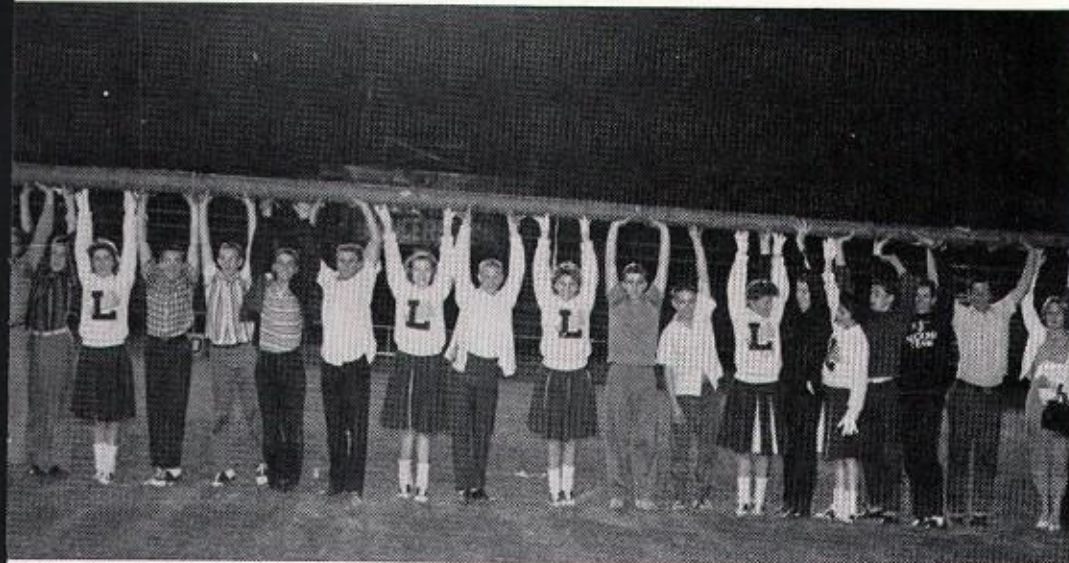

"TAKE IT EASY WITH THOSE LIGHTS — WE NEED 'EM!"

A loader prepares to haul one of Lee's lights into its designated position.

"MAN — 'DEM IS OUR LIGHTS!"

The lights are put together in open field adjacent to the football field.

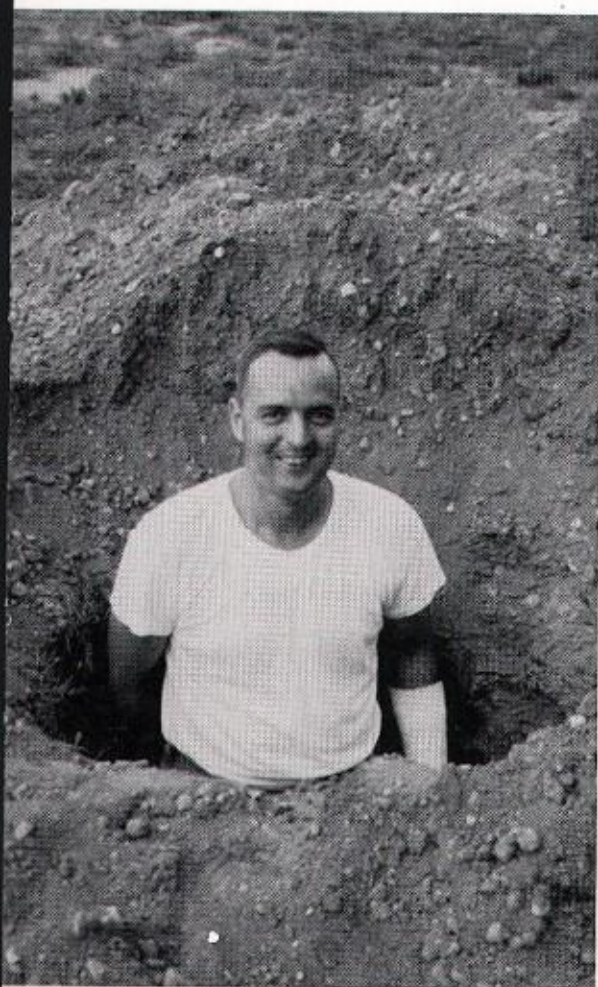

"PLAYFUL FROLIC"

Lee's cheerleaders, acting the part of "CCCP" weightlifters, help group of students mock light pole in "Lights for Lee" celebration.

Finally a Reality

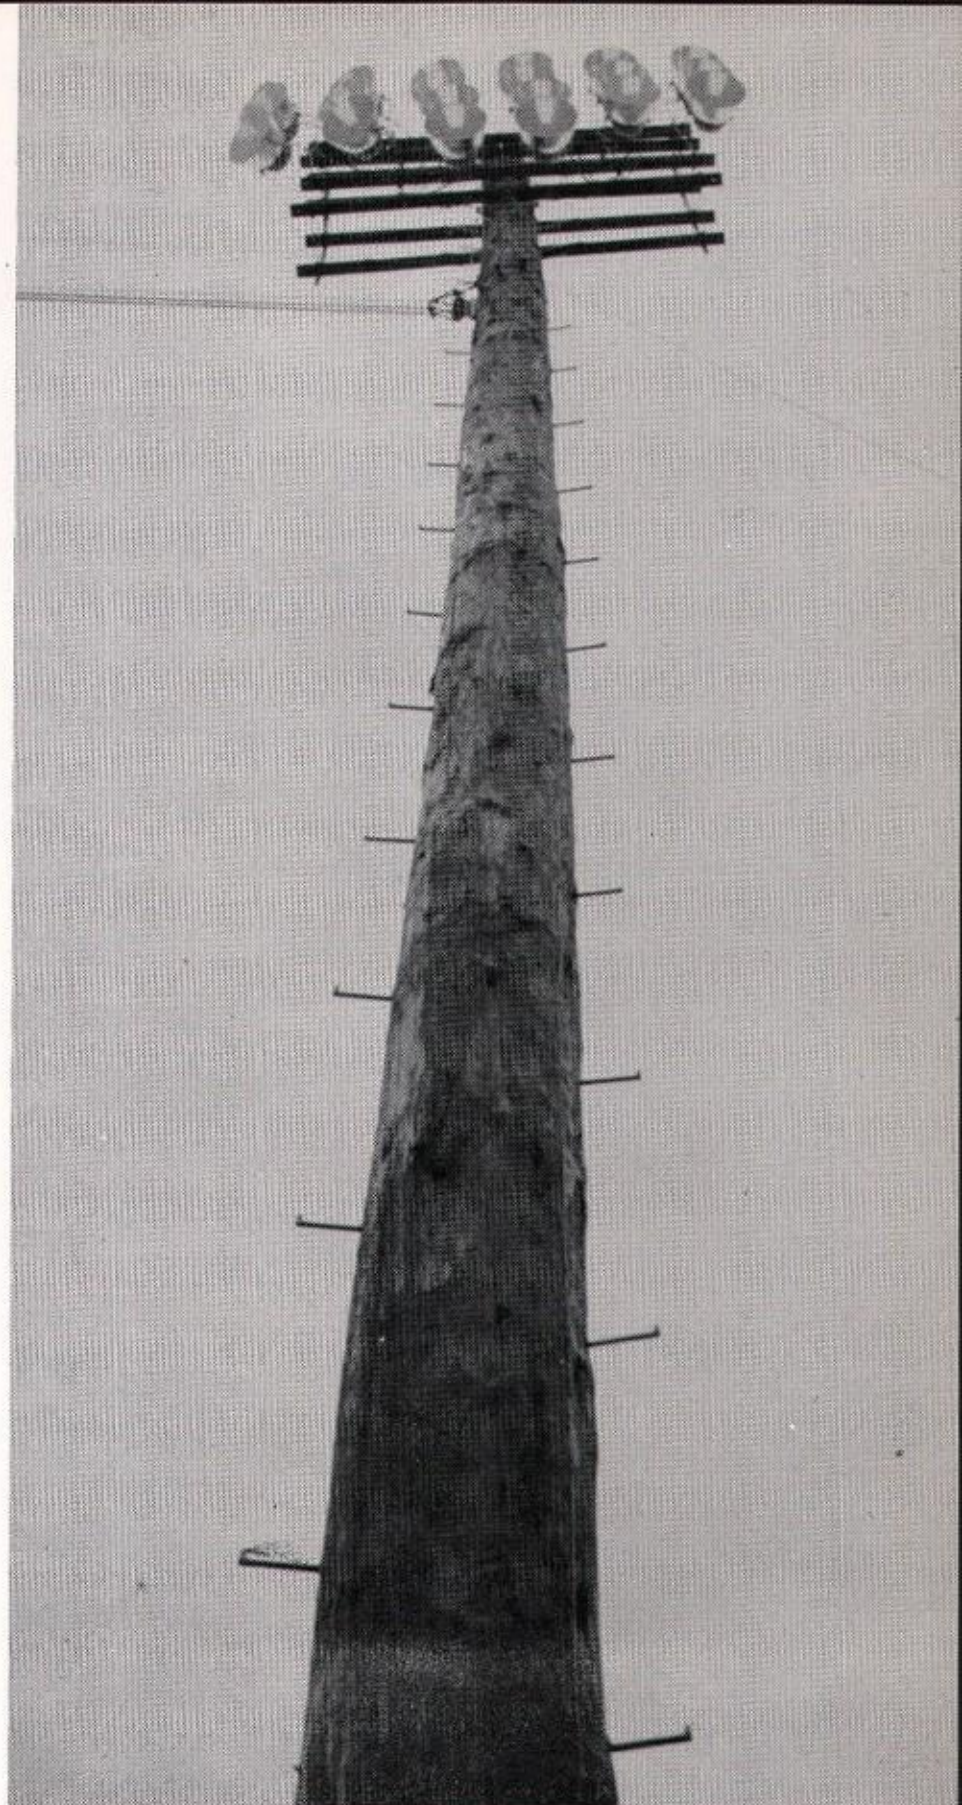

"IN A HOLE AGAIN"

Mr. Evans inspects one of the holes dug for the lights poles—S., the hole is really deeper than it looks—Mr. Evans is standing on a ladder.

"WAY UP"

Our lights stand finished and ready to light up the home field.

"OUR FIRST CHECK!"

Ted Clarke, 1961 S.C.A. President, together with Bill Harvell, gives Mr. Parrish and Mr. Millan the first checks for our "Lights for Lee" fund.

"CLEAR THE FIELD FOR PATTY!"

Pat Lumpkin rushes down the field for the first touchdown of the game.

"COACH KELLY LEADS HIS LASSES"

This is how they looked during the last hour of hard hitting line practice.

This remark, accompanied by a chuckle, was overheard from two Lee High coaches as they stood on the sidelines, watching the senior girls scrapping in their annual "Powder Puff" football classic Tuesday morning.

The Kelly's Cuties, captain Pat Lumpkin, lost to the Bumpas Bombers, headed by Linda Bumpas, 7 to 6.

Pat aided her own team's cause by taking a pass play and running 30 yards for the first touchdown.

Susan Eames, a Bomber, ran 60 yards for the first touchdown for the Bombers. This was a kick-off return at the second half's beginning. Barb Bower made the extra point.

Only threat to the Bombers came in the fourth quarter when the Cuties were 15 yards from the goal line. The game was called when time ran out.

Coaches for the Bombers were Mike Peeler, Bob Ferguson, and Paul Shultz; for the Cuties, Jim Norton, Harry Leland, and Jack Lucks.

Cheerleaders for the Bombers consisted of Jim Puckett, Dave White, Cal Sargent, John Dickerson, Dinky Huffman, Warren McQuarrie, Roy Cooper, and Mike Ferkins.

"FRIENDSHIP CIRCLE"

the Bomber and Cutie Cheerleaders compare cheers in friendly embrace.

"WHY, MR. CLARKE!"

Faculty-Faculty and Senior-Faculty games are played in order to raise money for the athletic department. The varied uses of the profits are "Lights for Lee," purchasing a whirlpool and new equipment.

These games provide much laughter as well as entertainment. The teachers keep in their excellent physical condition through these exciting exhibitions.

"NOT TOO... EVENLY MATCHED, ARE THEY?"

Mr. Moore and George Kelley start the game.

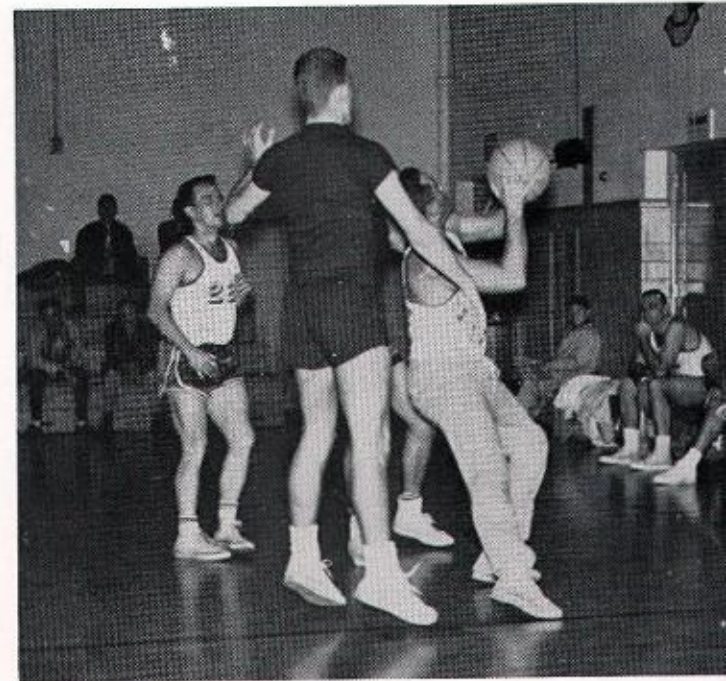

"I SAID I HAVE IT!!!"

Mr. England fights for the ball.

"FOR TWO POINTS?"

Mr. Hyer tries again.

"THE VICTORS"

Ted Dunman, Carol Friedman, and Mike Ward are hailed by fellow Lancers and Mr. Braxton, and Mr. McGarry look on.

"It's Academic" is a television show which pits teams from local high schools against each other in a contest of academic skill.

Lee's team, composed of Carol Friedman (captain), Mike Ward, Ted Dunman, and alternate Don DeAngelis, scored a decisive victory over its opponents during its first appearance. With a win behind them, Lee earned the right to return the following week and were victorious in duplicating their performance with an even more impressive triumph. They continued returning in hopes of a tournament victory.

The showing these students made demonstrated the high academic qualities maintained at Lee and is typical of the achievement expected of every student.

"HAPPY LANCERS" The crowd cheers their team on to victory.

"YOU KNOW THE RULES NOW"

Lee waits patiently for the first round to begin.

"JOHN BLESSES THIS UNION."

"EAT YOUR BREAKFAST, MARY ANNE."

"HOLD STILL, RICK."

"OH COME NOW, WHAT'S SO FUNNY, DIANE?"

"JOHN OPENS THE PLAY"

OLD TOWN

"WHY, MARTY, HOW DEAD YOU LOOK"

This year, under the sole direction of Mr. P. Hasselvander, the Junior Class of Lee High School presented Thornton Wilder's play "Our Town." This famous play won the Pulitzer Prize for drama in 1938. The action of the play is confined to Grover's Corners, New Hampshire, and tells of life in the little community between 1901 and 1913.

Each night that the play was presented, large crowds filled the auditorium. Their greatest expectations were fulfilled by the marvelous performance given them by members of the Junior Class. Every person who had a part, large or small, knew his lines and performed well.

But credit should also go to those who worked behind the scenes for no play would be complete without them. Many devoted much time and effort to perfecting the lighting and sound, collecting costumes and props, publicizing the play, and offering any other assistance needed.

Through the combination of efforts on the part of the crews, the cast, and the director, the Junior Class Play proved to be one of the memorable events of the year.

"WHY SO GLOOMY, BETSY?"

COMMENTS FROM THE STUDENT BODY

Karen Percy—"I worked with it and it was a riot!"

John Sandbach—"It was really great!"

J. J. Shay—"I think the Juniors did a wonderful job with the play . . . but look at last year's J.C. play."

Dave Brown—"It was the best entertainment in our town (of Springfield)."

Anne Hootman—"I think it was terrific and I hope the Senior play turns out as well."

Steve Shay—"They get better every year."

Christine Sutton—"I saw it three times!"

Barbara Hollowell—"The play was a magnificent production."

Message From the Editor

The Book is completed and the school year draws to a close. This year, 1961-1962, once lived, can never be relived again except in your memories and your hearts.

Starting with a new staff this year we struggled and learned as we worked to make this SHIELD one of which we are truly proud. Our efforts, however, would have been worthless without the coaction of the faculty and administration who have obliged us in so many ways. Many thanks go to Mrs. Ruth Cone and her typing classes and to Mrs. Frances Johnson who have so willingly given their time and advice to the publication of this annual. I hope that during this year the staff has continued to build up a relationship with the faculty so that in years to come, "cooperation" will be the password by which this book is published.

I am sure that without the understanding guidance and assistance that Mr. Kincaid, our advisor, has given to us, the 1962 SHIELD would not have seen its final deadline. Speaking for the staff I can say, "Thanks, Mr. Kincaid, for so much help and for being such a 'just' referee."

The untold hours of work that have gone into this yearbook are known only to the most devoted staff at Lee. The experiences which we have faced together will never be replaced in my mind. . . . captions we had to write quickly to meet a deadline . . . pages that were misplaced almost throwing us into a panic . . . the fortune spent on McD's hamburgers because we didn't have time to go out and eat . . . the numerous Saturday "sessions" at my house and the hundreds of other little things that have made this SHIELD so meaningful to each of us. His book could never tell the story of its production nor reveal the responsibilities which were placed on each of you as individuals. It takes a group like you to put out a book like this. To say "Thanks" would be the understatement of the year when it comes to expressing my gratitude to you . . . THE SHIELD STAFF OF 1962.

To the students of Lee, I hope that the remembrances recalled by this annual will cause each of your hearts to swell with pride for your school, its opportunities, and the many memories that will remain with you always.

Finally I wish next year's Editor and his staff all the luck in the world on the 1963 Edition.

This SHIELD I will never forget.

J. J. Shay

Skinny,
 To a great
 girl with a
 wonderful person-
 alities. To a great
 second base man
 on "varsity" I sure
 envy you next
 year. I hope
 of luck, &
 love, &
 laughter
 Love
 Jane

(Hoping you
 really enjoyed
 hockey - how
 much you know
 about it now
 makes me
 kidding of course)
 Pam Jaffe

Gayle, It's been
 fun having you in French
 class for 2 years. Good
 luck next year.

Bob Johnson

Gayle, has been
 wonderful & amazing
 you. Don't even
 forget 3rd period
 English! See
 you next
 year!
 Love,
 Ashlee

See you next year on
 the hockey team. It is
 so much fun running
 around the field and
 getting knocked in the
 legs, ~~isn't~~ isn't it (cough).
 Have fun this summer
 if you call work fun.
 Ann O. Millan

Gayle,

I wish I could
 have been everything I
 this year but I haven't
 out fun(?) I wonder if I dare
 turn two years I have
 say years I guess I better
 from you. I love French
 not. Good luck
 To the
 from
 Father
 Hawkins

Gayle,
 It was fun
 sitting in front of
 you in Chem. and
 grading papers now
 and then,
 Eugene C.

Gayle,
 Next year will
 try out for hockey and
 softball. O pay?
 third (h, h) and you'll play
 second. He'll both be first
 on a dieting this summer so we can
 both really get skinny. I'll have
 to learn my water pistol defense and how
 to keep ~~you~~ my fillings next year. From
 one "skinny to another."
 Maggie McLaughlin

Gayle.
 Go a fellow
 passenger on the
 bus, and a fellow
 French III victim -
 Best wishes always,
 Mary

Gayle,
 I feel like a nut
 living right beside
 you for a whole year
 and not knowing
 it. Hope to see you
 next year. (How
 ridiculous, I'll
 see you this summer.)
 J. Ferris.

Gayle,
 Boy, we have
 had a cone time
 this year! Hockey, Softball,
 English! - I hope to
 see you next year. It's
 been great & so much fun
 Charlie for all the gum
 Love, Pat
 '63

Gayle,
 It's been lots of fun
 knowing you & being
 in the same English
 class. Good o' Luck
 is all you do
 See you next year
 Love,
 Mary
